

Terry Malone '52 helped put Badin High on the map

Terry Malone '52 was a driving force behind the success of Badin High School.

Malone, 83, passed away Jan. 14 following scheduled open

heart surgery at Mercy Hospital in Fairfield. He had been suffering from congestive heart failure.

"For the vast majority of Badin alumni, Terry Malone is Badin High School," Principal Brian Pendergest '90 said. "Terry Malone put Badin High School on the map. It's as simple as that."

Malone was the winningest football coach in the history of the state of Ohio when he retired following the 2003 season, with 360 wins and the 1990 Division III state championship on his resume.

But Malone was also a popular history teacher who loved to teach – continuing to do so even after his retirement from coaching football – and also served as athletic director, dean of students and interim principal during his lengthy tenure at Badin.

"I don't know if there was ever anybody who was more dedicated to Badin than Terry Malone," Dean Wright '65 told the JournalNews. "He lived it. He breathed it. He ate it. (He) was the

face of Badin. ... He was the straw that stirred the drink."

A 1952 graduate of Hamilton Catholic High, Malone went on to play football at Xavier University, where he was named an All-Irish/All-Catholic All-American in 1956. He came back to HCHS as an assistant coach for one year, and then was named head coach for the 1958 season.

"I hope people think that we had a positive program," Malone said when asked about his football legacy prior to his retirement from coaching in 2003. "There have been a lot of good people come out of it. There are plenty of examples of that. A lot of success stories. I feel good about that."

During his 46-year coaching career, Malone guided Hamilton Catholic and Badin to a record of 360-117-8 and made 16 trips to the playoffs. The Rams finished state runner-up in 1978 and 1980, then defeated Richfield Revere 16-6 to win the 1990 state championship. Malone coached seven unbeaten/untied regular season squads, one team that went 8-0-2, and 14 teams that lost only one regular season game. His final game in 2003 was a 45-7 home triumph over North College Hill, after which his victorious players carried him off the field.

"He never put on any false airs – you always knew where you stood with him," said Wright. "And he always made it very clear what the goal was. ... Terry Malone earned an undying and unimpeachable loyalty from his players over the years. Just a lot of respect."

Chuck McKinney '78 told the JN, "He did so much not just getting us prepared for the games; he got us ready for life. ... I'm sure in one way or another, Coach Malone was a hero to all of us."

"He never described himself as a coach," Wright underlined. "He always said he was a teacher. And many people would say he was the best teacher they ever had – in the classroom and on the football field."

Malone was a member of several Halls of Fame, including the Badin, Butler County, Buddy LaRosa Greater Cincinnati and Ohio High School groups. In 2004, he earned a Lifetime Achievement Award from the Greater Cincinnati Chamber of Commerce. He was in the first class of the Badin Hall of Honor in 2014.

Malone and his wife, Betty, were the parents of 10 children and lived in Hamilton. His wife preceded him in death in 1997. One child, Terry, is also deceased.

Malone always recalled a woman who was shouting at him from the stands during the third game of the 1958 season, his first home game as a rookie head coach, telling Malone he would not be around as the head man the following season.

"I guess I fooled her a little bit," he'd say with a laugh.

Nick Yordy '97 named Badin head football coach

Nick Yordy '97 has been named the new head football coach at Badin High School.

Yordy is just the fourth football coach in Badin annals. He steps in for Bill Tenore '88, who compiled a record of 51-38 over eight seasons, with five trips to the playoffs. Dave Wirth (five seasons) and Terry Malone '52 (38 seasons) have also guided the Rams over the years.

"I'm excited," Yordy said. "When I went into coaching, the one place I wanted to be head coach is Badin High School. That it's

happened is great ... It's humbling."

Yordy has spent the last seven seasons as the offensive coordinator at Mount

Healthy High, teaching math at the junior high level there. He also previously coached at Ross and New Miami high schools.

Yordy will be inducted into the Badin Athletic Hall of Fame on April 29, a tribute to his outstanding BHS career as a football and baseball player. He holds the Badin football record for most touchdowns in a game (five), and started as an outfielder on the 1996 Division II state championship baseball team. He subsequently played four years of football at Thomas More College.

"It was great to play for Coach Malone. He was definitely an influential person in my life, especially in my decision to teach and coach," Yordy said.

"Having gone to Badin and experienced what Badin football is all about is obviously a plus," he added. "I'm going to do everything I can to help maintain the Badin tradition."

Nick and his wife, Emily, are the parents of three boys and live in Ross Township. He is a member of Queen of Peace Parish.

from the PRINCIPAL

Dear Badin Alumni and Friends,

The importance of Catholic education is as important today as it was 50 years ago. Families desire a faith-based education and understand how a Catholic education pays dividends well into the future. This year Badin High School celebrates the 50th anniversary of Badin's opening. It is hard to believe that the building on 571 New London Road has been open since 1966. The building definitely does not look its age. We have updated many parts of the building over the years, replaced windows and have added air conditioning to the classrooms. The education the students receive today is vastly different than the one students from 50 years ago experienced. The curriculum has evolved to meet the needs of the current expectations of our students and to prepare them for the experiences they will have in college and

in the workforce. Even with the changes that have occurred, the core values that opened our building, values that were established by our founding schools – Hamilton Catholic and Notre Dame High School – are still alive and flourishing at Badin 50 years later.

We strive every day to inspire young men and women to achieve their personal best, live their faith and lead the future. Our students are challenged to discover their passion and to become the person God calls them to be. Our students have the opportunity to explore career paths through the various core courses and electives. With courses in technology, engineering, art, music, marketing and numerous other options, our students are able to explore careers that may be of interest to them. Our retreat program and service program helps our students in their journey to discovering God's calling for each of them. We are blessed to work with terrific students who become future leaders in their given vocation.

We continue to meet with alumni and donors for our major gift initiative. The We Remember, We Celebrate, We Believe initiative was started to address the needs that have been identified through the strategic planning, campus master plan and feasibility study process. The We Remember, We Celebrate, We Believe effort recognizes our history and sets the stage for our next 50 years.

We Remember – the rich history of Hamilton Catholic, Notre Dame and Stephen T. Badin High School. We remember the teachers, leaders and benefactors who made Catholic education a possibility for those of us lucky enough to be alumni.

We Celebrate – the Pride, Spirit, Tradition and Unity of Badin High School and the huge contributions our alumni have made to the local community, the country and the world.

We Believe -- in the importance of Catholic Education and continuing to build on the history of our school for the next 50 years. We believe in the mission and vision of Stephen T. Badin High School.

If you are not aware of all the tremendous opportunities our students have and the success of our alumni, please make sure to look at this Shades of Green, read the electronic alumni news we send out regularly and check us out on our website, Facebook page and other social media sites. We have a lot to be proud of and to celebrate. If you would like to learn more about this initiative, please contact me or Kelli Kurtz, our executive director of advancement, to set up an appointment.

If you ever have any questions or suggestions, please feel free to contact me.

Thank you for your support and God bless you and your family.

Badin quartet honored by National Merit Corp.

Badin High senior David Berg (rear center) was named a National Merit Scholarship Finalist, putting him in the top 1 percent of students in the country for his outstanding test performance on the Preliminary Scholastic Aptitude Test (PSAT) as a junior. He is now eligible for some of the \$33 million in scholarship dollars awarded by the National Merit Corp.

Berg, who also scored a perfect 36 on the ACT college entrance exam, has been admitted to the University of Notre Dame, among other top schools, and plans to major in science or economics in college.

Three other Badin seniors were named National Merit Commended Students, which places them in the top five percent of the more than 1.6 million students in the country who took the PSAT in the fall of 2015. From left are Aaron Helson, Alexandra Hensley and Kaitlyn Dick.

Berg is a graduate of Queen of Peace School, Helson from Immanuel Lutheran, Hensley from St. Peter in Chains and Dick from Sacred Heart.

"These are outstanding students and their performance on the PSAT underscores that," Badin Principal Brian Pendergest said. "We're proud of their excellent work and know that they have bright futures ahead of them."

Thanksgiving Mission Trip A group prepared Thanksgiving dinner and bought necessities for three families during our annual Thanksgiving Trip to St. Mildred Church in Somerset, KY.

Badin athletes play on ... Talented student athletes in the Badin Class of 2017 who have committed to play sports in college include, front from left, Karley Schlensker (Wilmington College, volleyball and swimming), Nicole Visse (Indiana University-East, soccer), Shelby Schmitt (Rio Grande University, softball) and Maddie Smith (DePauw University, soccer). At rear are Abby Lampe (Ashland University, soccer), A.J. Ernst (Rose-Hulman Institute of Technology, baseball), Nick Taylor (Coker College, baseball), Noah Connaughton (University of Dayton, tennis) and Emma Horsley (Muskingum University, volleyball).

Big honors for Bucalo

Senior Cooper Bucalo had a huge season on the soccer field, being named first team all-Ohio, the Division II Player of the Year in Southwest Ohio, and the Player of the Year in the GCL Central Division. Cooper set a league record for points in a season with 80 on 31 goals and 18 assists for the Rams, who finished 10-5-4. He was a four-time all-league selection.

McCormicks *make music FUN* at Badin

Matt & Elaina McCormick

were just what the doctor ordered to rejuvenate the music program at Badin High School. Now in their 6th year of a “unique and fun” program, the McCormicks wouldn’t have it any other way.

“Our program in general is a lot more forward thinking and a lot more open to new ideas than a lot of programs are,” Matt said. “It’s not

necessarily better than other programs; it’s just different.”

Interest in marching band and choir had bottomed out when the pair showed up at Badin for the 2011-12 school year – and in this case, necessity was the mother of invention. Thus was born the popular Badin Rocks Ensemble, which puts all instruments and voices together in what is an enhanced pep band with some 50 members. They play at all football and boys basketball games, and are on the back of a long flatbed truck for the Reds Opening Day parade. They just don’t march.

“It’s been awesome to be at Badin,” Elaina said. “The student body is very enthusiastic about the band, and you don’t find that everywhere. We’re able to have fun every single day. The community as a whole is so supportive of what we do, it makes it that much more fun to do it.”

“If you take all of the music classes that are offered at Badin,” she added, “when

you graduate, you will have the skills necessary to be a musician for life.”

The McCormicks have added classes throughout their tenure – Badin Rocks, Beginning and Advanced Guitar, Music Technology, Piano, Jazz Band, and now a Music Appreciation class that will earn college credit, as well as a new Choir program. In addition, the McCormicks are after school for some two hours each day offering extra music work in those various disciplines for no additional cost.

“We love being here,” said Matt, who is an accomplished guitarist and sound engineer. “There’s no doubt in my mind that I could make a living playing music somewhere else, but I look forward to coming back to Badin every year. Teaching music is what I was called to do.”

Elaina taught music for five years at Franklin High, and is a talented singer who performs with two groups and also cantors at Our Lady of Victory in Delhi Township each week.

“I didn’t know if this kind of program could exist, but it’s been a great solution for us,” Elaina said. “Music needs to be cool and it needs to be fun, and that’s what we offer.”

The McCormicks were recommended to Badin by the business of former BHS band director Chuck Lauterbach, and the pairing has been a blessing for Badin.

“The best thing that can happen through our program is that students get an outlet for their musical interests,” Matt said. “If they want to do it, we want to help them do it. Music is fun, it’s productive, it’s mentally stimulating and it’s rewarding.”

ART & sole

Mrs. Sarah Daniels and art students have created 75 pairs of custom painted shoes, distributed 55 pairs to the Community Meal Center in Hamilton and are delivering 20 pairs to One Way Farm in March through the ‘Art & Sole’ Project funded by both the Hamilton and Fairfield Community Foundations.

“It is great to have a talent, but a far greater thing to put that talent it to work; even better to share with deserving souls in our own communities. I try to live by this motto as well and instill this into my students,” says Mrs. Daniels, “What you do in this life matters. We are all here by God’s grace. We are all his children. To be able to create customized shoes and hand deliver them is humbling. To see their faces light up and the gratitude in their voice is why we do this.”

KIRSCH *in on the ground floor of* Badin

Jack Kirsch '44 was actively involved on the ground floor in order for Badin High School to reach its 50th anniversary year.

Kirsch, the former city manager of Hamilton and a member of the Athletic Hall of Fame (2000) as well as the Hall of Honor (2016), was part of the initial fundraising drive in 1962 to build what was referred to as a “new co-institutional school.”

Kirsch was a special guest speaker at the annual Heritage Mass in October and explained how Badin High School had come about.

The new “co-institutional” school was announced in 1962 – it was a merger of Hamilton Catholic (all boys) and Notre Dame (all girls), but the classes would still be single gender according to the original thinking.

On September 1, 1962, there was a 1-day fund drive, Kirsch recalled. Ten parishes were involved, with 1,400 people serving on various

committees. Fundraisers, including Kirsch, went door-to-door that Sunday afternoon to request donations – and reported back with an impressive \$1.365 million in pledges. People were home that afternoon, because on a Sunday in 1962, stores were closed.

It was “problematic” to find a site, Kirsch explained. In 1964, the Archdiocese purchased the 22-acre Wagner farm on New London Road for the new school. Kirsch pointed out that the building of a new Columbia Bridge across the Great Miami River in 1965-66, and the addition of sidewalks on New London Road, was critical for access to Badin High and made the school viable.

Badin has been as large as 1,100 students over the years and as small as 450 students, but the foresight and dedication of people like Jack Kirsch has led to five decades of excellence on New London Road.

GOLDEN GRADS

It is with great pleasure we invite the Class of 1967, the first graduating class of Badin High School, to participate in our 2017 commencement ceremony. Our Golden Grads will march in our procession and be our guests during the ceremony. This year's commencement exercises will be held on Friday, June 2nd, at 8 p.m. at St. Maximilian Kolbe Catholic Church in Liberty Township. We plan to start the evening at 6:30pm with a small cocktail reception prior to the commencement ceremony. If you are able to participate, please RSVP to Kim Graham '96 by Friday, May 19, at (513) 863-3993 ext. 128 or at kgraham@BadinHS.org.

CLASS REUNIONS IN 2017
