

## **ATHLETIC PHILOSOPHY OF BADIN HIGH SCHOOL**

Athletics play an important role in the Philosophy of Badin High School. Realizing that the total development of the student involves mental, physical, emotional, and social development, we strive to nurture unselfish attitudes and develop self-discipline through athletic competition.

Athletics expose students to concepts of teamwork, dedication to purpose, emotional control, goal setting, and the ability to accept criticism, success and failure. The involvement of the students in athletics at Badin is a **privilege** and there are standards of conduct that must be upheld. All students involved are required to follow the policies set forth by Badin High School and the athletic department. We continually strive to encourage all teams equally to their highest level of performance both on and off the field of play.

All sports offered at Badin are important. The athletic program is intended to offer a variety of opportunities for a variety of students. Some sports are more visible and receive greater media coverage. Athletic participation, however, is of equal importance regardless of sport.

Athletes, parents, faculty, staff, alumni and others involved in the athletic program are always expected to keep sports in the proper perspective as part of the educational mission of the school and to not lose sight of the ideals of amateur athletic competition. Badin pledges itself to the promotion of good sportsmanship and respect for participants, officials and others.

2022-2023**

**BADIN INTERSCHOLASTIC TEAM POLICIES**

1. All athletic/medical forms, including physicals, must be completed on **FINAL FORMS** on or before the day of the season. Athletes without signed forms will not be permitted to play.
2. Students participating in cheerleading and interscholastic athletics are required to pay a non-refundable participation fee. The fee is \$200.00 for the first sport, \$150.00 for the second sport, and \$50.00 for the third. You may sell a full page ad in Fall or Winter Sports program and Catham will pay for the first sport played, or a half-page ad, Catham will pay \$100.00 of the fee.
3. All student athletes are expected to uphold the Badin code of conduct as outlined in the student handbook. Badin student athletes are further expected to display fair and good sportsmanship toward teammates, coaches, opponents, officials, and fans on and off the field of play.
4. Any student who quits a sport, may not participate in any other sport until that season is complete, or if the coach of the current sport agrees to release the student-athlete. The athletic director and administration must also sign off on the release.
5. Sport enhancement supplements are not permitted in any Badin Athletic Program.
6. Visible tattoos are not allowed. An athlete must keep his/her tattoo covered for team pictures, during practice and during athletic events.
7. An athlete must be academically eligible to participate in sports. The Ohio High School Athletic Association by-law states

## Badin High School Athletic Handbook 2022-2023

that an athlete must have passing grades in a minimum of five one credit courses in the immediately preceding grading period to participate in sports. Incoming freshmen must pass five of their fourth quarter courses.

8. A Badin athlete must pass five full credit courses from the previous quarter to participate in a sport during the next quarter. The academic eligibility of an athlete will be checked bi-weekly during a sport's season. An athlete must maintain passing grades in five full credit course to participate. The athlete will practice during that time. After one week the grades will be checked and eligibility re-determined.
9. The grade you receive biweekly will reflect the grade you would receive in that class should you withdraw from school at that point.
10. An athlete who did not pass five one credit courses at the end of the previous school year shall be ineligible to play for the first quarter of the next school year.
11. According to the Ohio High School Athletic Association, for eligibility purposes, summer school grades may not be used to substitute for failing grades received in final grading period of the regular school year or for the lack of enough courses the preceding grading period.
12. Athletes and one parent will be required to attend all pre-season meetings of the sport he/she are participating in.
13. Proof of health insurance is required.
14. All members of a team are required to attend every team practice and game, except in cases of emergency or illness. If a player is absent from school, he/she is ineligible to

## **Badin High School Athletic Handbook 2022-2023**

participate in practice or games on that day. No player will be excused from practice or games because of work.

15. In order to participate in practice or games, the athlete must be in attendance for at least six full class periods. Coaches may have a policy requiring the athlete to be in attendance for the entire school day. If the student/athlete is on an early dismissal schedule, he/she must still attend six full class periods.
16. Uniforms will be issued at the beginning of the season. Players are responsible for uniforms and warm-ups issued to them. If they are damaged or lost, the athlete must replace them or reimburse the athletic department.
17. All members of the teams are expected to share in responsibilities of the team. This includes set up and clean up for practices and games, maintaining equipment, etc.
18. Coaches may have additional policies that are approved by the administration.
19. If parents or athletes decorate the school, approved tape must be used.
20. It is our obligation to caution and warn you that by granting your child permission to play on a team there are certain risks of physical injury that can result from high school athletics.

### **Drug, Alcohol and Nicotine Policy**

The following is the Drug, Alcohol and Nicotine Policy (“the Policy”) of Badin High School. Section I of the Policy pertains to drug, alcohol or nicotine/tobacco infractions which occur at school or at school-related activities. Section II of the Policy pertains to testing for illegal drug, alcohol and nicotine use.

## Badin High School Athletic Handbook 2022-2023

### I. Drug, Alcohol or Nicotine/Tobacco Infractions at School or School-Related Activities

Badin High School strictly forbids students to possess, constructively possess (i.e., be in the presence of), use, buy, sell or be under the influence of controlled substances, alcohol, nicotine or other unsafe substances/paraphernalia while the students are at school, on school property or attending a school-sponsored or school-related activity, regardless of whether such activity is on or away from the school grounds and facilities.

Vaping products are illegal on school property and are considered a violation of school policy. Due to the increased usage of vapor products in the teen population across the country, we are making our policy clear so that all students and parents understand the ramifications of having or using a vapor product at school, on school grounds or at any school related function (event).

Nothing in this Policy prohibits a student who has a valid prescription for medication prescribed by his/her physician from using such medication through the proper procedures in the clinic and following the proper protocol in accordance with the written instructions of his/her physician.

In order to promote a drug-free environment in our school, drug- detecting dogs may be employed inside the building and on the school grounds. A student suspected of using drugs/alcohol before school, during school, or at a school related function will be required to undergo a drug/alcohol test. A student in possession of an illegal substance will be referred to the police. A student possessing or using any amount of alcohol, drugs or counterfeit drugs/look-alike drugs (including prescription or non-prescription drugs), or in possession of drug paraphernalia, before school, during school, at a school-related function and any time out of school will be required to comply with the following:

#### 1st Offense:

- The student and parents must meet with the Dean of Students or other member of the administrative team.

## **Badin High School Athletic Handbook 2022-2023**

- The student will be sent for an evaluation. The student and parents must agree to follow the recommendations resulting from the evaluation.
- The student will be given five days of out of school suspension.
- If an athlete, the student will not be able to play in 25% of the season schedule, but must attend practices. The suspended athlete may not be in sports uniform, but may sit on the bench for all games.
- The student will not be permitted to attend any school sponsored events during the 25% suspension, except for the games played in his/her sport.

### **2nd Offense:**

- The student will be given 10 days of out of school suspension.
- The student must attend a treatment program, out-patient or in-patient, based on the second evaluation of the student.
- The student must follow through on all treatment recommendations.
- If an athlete, the student will not be able to participate in 50% of the season schedule. If the second offense occurs during spring sports season, the athlete will serve the remainder in the fall of the following year.
- The student will not be permitted to attend any school sponsored events during the 50% suspension, except for the games played in his/her sport. All suspensions are subject to being carried over into the next sport played.

### **3rd Offense:**

- The student will be expelled from Badin High School.
- Any student found to be distributing or selling drugs or counterfeit drugs will be automatically referred to the principal for expulsion and to the police department for legal action.

## **II. Drug Testing**

Badin High School strives to provide a safe, challenging, supportive and innovative learning environment. Accordingly, every student who attends this school, as well as his/her parent(s) or guardian(s), freely and willingly consent to allow the student to undergo drug testing for the presence of illicit drugs, alcohol, nicotine or other banned substances. Students and parents/guardians are required to consent to this policy as a condition of a student's continued

## **Badin High School Athletic Handbook 2022-2023**

enrollment at Badin High School. Attendance at Badin High School is not a right, but a privilege in which students and parents/guardians are to act in a way that supports the health, safety and well-being of all students. The Badin High School community recognizes the inherent risks for adolescents in the use of alcohol, drugs and nicotine. This use is always viewed as abuse since the negative consequences, both short and long term, are well documented and often tragic. Thus, Badin High School prohibits the use of alcoholic beverages, illegal drugs (as defined by Ohio or Federal law), nicotine, the misuse of prescription or over-the-counter medications for any purpose (such as to get high) other than their intended medical use, and/or possession of drug paraphernalia by a Badin student. A Badin student includes any student who is enrolled at Badin High School with the culmination of their Badin experience coming at the end of graduation.

Badin High School partners with Great Lakes Biomedical to conduct our drug testing. Their trained professionals make the selection of students for testing, handle the collection, packaging, transportation and analysis of test samples. Most importantly, certified Medical Review Officers communicate non-negative test results with parents/guardians, offering a professional medical explanation of the meaning of test results and answering questions that might arise.

All students will be tested at least once annually. Students may also be tested if a member of the faculty, staff or administration suspects them of being under the influence of a controlled substance. In addition, students may also be tested at random. There is no maximum number of times a student may be tested.

If the test results are positive (i.e., drugs detected), the Intervention Matrix listed below will be followed. A first positive test result alone, which is not connected to other violations of the Drug, Alcohol and Nicotine Policy (such as possession of drugs or being under the influence of drugs at Badin during the normal course of a school day) or other school policies, will not result in disciplinary action. If a parent believes that there was a false positive, the parent can request an immediate second testing at the parent/guardian's expense by the same means and through Great Lakes Biomedical.

## Badin High School Athletic Handbook 2022-2023

### ***Intervention Matrix***

#### **First Positive Test:**

- A Medical Resource Officer from Great Lakes Biomedical will contact the parent/guardian.
- Student and parent/guardian will meet with the designated Administrator to discuss the results of the test.
- Student will be evaluated by certified medical drug and alcohol professional or counselor approved by Badin High School.
- A medical release will be given to the designated Administrator to access information from the medical professional.
- Student will follow through on all recommendations of the medical professional.
- Student will be tested again within 90 days.

Any violation by the student and/or parent/guardian of the professional recommendations as set forth in the assessment, and/or the requirements set forth by Badin High School will jeopardize the student's enrollment at the school and could result in dismissal. All expenses for drug and alcohol assessments and treatment programs are to be covered by the student and his/her parent/guardian.

#### **Second Positive Test**

- A Medical Resource Officer from Great Lakes Biomedical will contact the parent/guardian.
- Student and parent/guardian will meet with the Principal and the designated Administrator.
- A comprehensive intervention plan will be developed by certified medical drug and alcohol professional or counselor approved by Badin High School.
- A medical release will be given to the designated Administrator to access information from the medical professional.
- Student will follow through on all recommendations of the medical professional.
- Repeated testing will take place throughout the rest of the student's enrollment at the parent/guardian's expense.

## **Badin High School Athletic Handbook 2022-2023**

Any violation by the student and/or parent/guardian of the professional recommendations as set forth in the assessment, and/or the requirements set forth by Badin High School will jeopardize the student's enrollment at the school and could result in dismissal. All expenses for drug and alcohol assessments and treatment programs are to be covered by the student and his/her parent/guardian.

### **Third Positive Test**

- A Medical Resource Officer from Great Lakes Biomedical will contact the parent/guardian.
- Student and parent/guardian will meet with the Principal and the designated Administrator.
- Student may be recommended for expulsion from Badin High School.

We believe that there is a spiritual aspect to all drug and alcohol abuse and that the abuse of these substances is an attempt on some level to fill a void that was meant to be filled only by God. Thus, in addition, spiritual counseling by a priest, minister or a person of faith is highly recommended.

### **Self-Disclosure Policy**

Drug or alcohol dependency self-disclosures, either by parent/guardian or the student, are encouraged at Badin High School. Badin recognizes that drug or alcohol dependency is a treatable disease and will extend to the student and his/her family all the support that is available. This support requires following the steps as if having a positive test. Recovery for the student is the primary goal of the self-disclosure program. This allows the student and his/her parent/guardian to take the steps necessary to make sure that the student will test drug and alcohol free after going through the appropriate assessment and treatment. A positive test after self-disclosure will be viewed under the second positive test criteria.

### **Refusal to Test**

Enrollment at Badin High School is a privilege and drug testing is required by every student. If a student refuses to test when required to do so, the test will be treated as a positive test.

## **Badin High School Athletic Handbook 2022-2023**

### **Alterations of Test and Test Results**

Any student suspected of altering a drug test or test results will be required to submit to another test immediately. If a student is caught trying to alter a drug test or test results, the test will be automatically treated as a positive test.

### **Graduation Pertaining to Drug Testing**

If a senior student is randomly selected for a drug and alcohol test and the test results in a positive within 90 days of graduation, this student must complete the intervention steps prior to receiving a diploma. If this is the student's second offense, he/she is subject to disciplinary action as per the guidelines set in the Drug and Alcohol Policy (Section I of this document), as well as the potential to not participate in the Badin High School senior awards ceremony or graduation.

### **Confidentiality**

Confidentiality is of the utmost importance with the drug testing. All information received by Badin High School from Great Lakes Biomedical or any other medical professional is confidential and will be maintained in a secure file by the designated Administrator. No records will be made available to colleges or universities, nor anyone else. All records will be shredded and erased upon graduation.

## **CHILD PROTECTION POLICY**

1. All suspected cases of child abuse or neglect shall be reported by the principal to a designated governmental agency for investigation and action as may be appropriate. Procedures for reporting such instances and information relevant to identifying victims shall be made available to all certified personnel and school employees by the Archdiocese.
2. If the alleged child abuser is a member of the extended school staff, all such incidents shall be reported to the Archdiocesan authorities as well. This report shall be made to the Archdiocesan Director of Educational Services, or his designee. If the individual is a cleric or religious, the Director of Educational Services shall notify the Chancellor and/or religious Supervisor.
3. All employees and volunteers of Badin High School are required by law to report suspected instances of child abuse or neglect to the principal.

## **Badin High School Athletic Handbook 2022-2023**

Staff members can be held criminally liable if they fail to report such suspected instances.

### **PARENT/COACH COMMUNICATION**

As a member of the Ohio High School Athletic Association, The Greater Catholic League, Badin High School strives to provide a well-planned and well executed athletic program for the maximum number of students consistent with available facilities, personnel, financial support and policies of the school and its' athletic associations.

Both parenting and coaching are extremely difficult vocations. By establishing an understanding of each position, we are better able to accept the actions of the other and provide greater benefits to children. As parents, when our children become involved in our program, you have a right to understand what expectations are placed on your child. This begins with clear communication from the coach of your child's program.

#### **The Badin Rams Athletic Program is based on the following premises:**

- The fundamental purpose of Badin High School is academic preparation in a Catholic environment, and co-curricular activities supplement the purpose for which Badin exists.
- Interscholastic athletics are an important part of the overall educational program of Badin High School.
- It is important to instill in our athletes respect, pride, and loyalty to self, school and team and to develop a healthy sense of competitive spirit and desire on the field and in life.
- The growth and development of the well-rounded student athlete – academically, religiously, socially and athletically – is a primary concern of the Athletic Department.

#### **Communication you should expect from your child's coach:**

- Philosophy of the coach.

## **Badin High School Athletic Handbook 2022-2023**

- Expectations the coach has for your child as well as all the players on the squad.
- Locations and times of all practices and contests.
- Team requirements, such as, fees, special equipment, and off season conditioning.
- Discipline that results in the denial of your child's participation.

### **Communication coaches expect from parents:**

- Concerns expressed directly to the coach.
- Specific concern in regard to a coach's philosophy and/or expectations.

As your children become involved in the program at Badin, they will experience some of the most rewarding moments of their lives. It is important to understand that there also may be times when things do not go the way you or your child wishes. At these times discussion with the coach is encouraged.

### **Appropriate concerns to discuss with coaches:**

- The treatment of your child, mentally and physically.
- Ways to help your child improve.
- Concerns about your child's behavior.

It is very difficult to accept that your child is not playing as much as you may hope. Coaches are professional. They make judgement decisions based on what they believe to be the best for the team. As you have seen from the above list, certain things can be and should be discussed with your child's coach. Other matters, which will be listed below, must be left to the discretion of the coaching staff.

### **Issues not appropriate to discuss with coaches:**

- Playing time.
- Team Strategy.
- Play calling.

## **Badin High School Athletic Handbook 2022-2023**

- Other student/athletes.

There are situations that may require a conference between the coach and the parent. These are to be encouraged. It is important that both parties involved have a clear understanding of the positions of the other. When these conferences are necessary, the following procedure should be followed to help promote a resolution to the issue of concern.

### **The procedure to address concerns with the coach:**

- The first step should be to encourage your child to talk candidly with the coach, expressing questions or concerns at a time convenient to both the athlete and the coach.
- If, as a parent, you still have questions or concerns, you should contact the coach personally and arrange a convenient time to talk. Please do not attempt to approach a coach before or after a contest. These can be emotional times for both the parent and the coach. Meetings of this nature do not promote resolution.
- If concerns are still not resolved, the final step is to contact the Athletic Director and discuss the situation to determine any appropriate action. Mr. Melzer's phone number is (513) 863-3993 extension 122.

## **Parent and Spectator Expectations**

It is clear that parents play an influential role in school sports. How you behave in the stands, how you talk to your student-athlete, and interact with coaches and officials makes all the difference in your son or daughters athletic experience.

Badin High School is committed to seeing that the student-athlete has a positive experience with participating in athletics. We expect all parents and spectators to behave in a manner that fosters support, enthusiasm and good sportsmanship. These expectations are vital to the success of all participants and Badin Athletics as a whole.

Any spectator, who is asked to leave a sporting event, may be subjected

## **Badin High School Athletic Handbook 2022-2023**

to the following:

- First ejection you will not be allowed to any athletic event for the following week. Second ejection you will not be allowed to any athletic event for 2 weeks. Third ejection you will be banned from all athletic events for one year.
- All incidents will be reviewed by the Administration and Athletic Department and will be handled on a case by case basis.

### **INELIGIBILITY AND RE-INSTATEMENT GUIDELINES AND PROCEDURES**

1. A student/athlete must maintain passing grades in five or his/her full credit courses to participate in his/her sport.
2. Eligibility is determined biweekly.
3. A student/athlete who fails to meet this requirement will be ineligible to play athletic contest the following week (Monday-Sunday). The athlete is required to practice and to attend athletic contests (out of uniform) during that week.
4. Eligibility will be re-determined at the end of that week. Coaches and parents will be notified of the athlete's status. If a student is not passing five full credit courses at the end of the week, teachers will re-evaluate at the end of the second week, and so on.

### **ATHLETE’S PLEDGE**

As a participant in the Badin Athletic Program, I agree to abide by all training rules regarding the use of alcohol, drugs, tobacco and vaping. Chemical dependency is a progressive but treatable disease, characterized by continued drinking/drugging in spite of recurring problems resulting from that use. Therefore, I accept and pledge to abide by the training rules listed in the athletic handbook and others established by my coach.

### **TO DEMONSTRATE MY SUPPORT, I PLEDGE TO:**

1. Support my fellow athletes by setting an example and abstaining from alcohol, drugs, tobacco and vaping use.
2. Not enable my fellow athletes who use alcohol, drugs, tobacco or vaping. I will not cover up for them or lie for them if any rules are broken. I will hold my teammates responsible and accountable for their actions.
3. Seek information and assistance in dealing with my own or my fellow athletes’ problems.
4. Be honest and open with my parents about feelings, needs and problems.
5. Be honest and open with my coach and other school personnel when the best interests of my fellow athletes and my school are being jeopardized.
