

What is Celebration!?

Celebration is a fun event featuring a live auction, silent auction and dinner.....

For six years the Badin Community has come together to Celebrate the great place Badin continues to be. Celebration is the biggest fundraiser the school has. Since it's inception, Celebration has given hundreds of thousands of dollars to the Scholarship fund, Catham Club (Athletic Boosters), and Music Boosters.

Over the past six years Badin's annual Celebration has taken our guests to meet the stars in Hollywood, gambling in Las Vegas, partying at Mardi Gras in New Orleans and we have sailed away.

On April 25th 2009 the most anticipated event of the year...Badin's annual Celebration benefit auction celebrates all that Badin has been and continues to be. The Badin Rams have so much to Celebrate that we are going to continue the tradition of Celebrating our Pride, Spirit, Tradition and Unity. From the fabulous food to the live and silent auctions, our planning committee promises you an evening you will never forget.

In the past, the Badin Community has generously offered the following for bidding in the silent and live auctions:
