

# BADIN HIGH SCHOOL ANNUAL REPORT

to the COMMUNITY 2022-2023

Construction began on the new parking lot to the west of Badin High School last June, and finished early January. Students, guests and faculty/staff are now enjoying the expanded parking lot. The lot provides enough parking for our soon to be Stadium and practice field!

## 2022-2023

Dear Investors,

We pray you are all remaining healthy and safe.

Badin High School is blessed to have supportive alumni and benefactors who help us carry out our mission of inspiring young men and women to achieve their personal best, live their faith and lead the future. Every student at Badin benefits from your support. Thank you to all of you who have invested in the students at Badin High School and the future of our beloved high school. As alumni, parents, and benefactors of Badin High School, we have a tremendous amount of pride in the history of Badin and the future for this fine institution. The Badin experience continues to provide our current students the same outstanding Catholic education our alumni had.

The excitement at Badin is evident every day as our faculty and staff continue to teach and work with our students with a passion for their material and more importantly, care for our students. The increase in enrollment over the past 10 years is a testament to the dedication, creativity, and student-centered approach our teachers demonstrate daily. We are focused on providing an educational experience that meets our students where they are, challenges our students to explore their passions and reach their personal best.

Faith formation continues to be the focus of our mission and we are proud to be a Sisters of Notre Dame de Namur Learning Community. Students are blessed to have numerous opportunities to put their faith into action. Whether that is through our retreat program, our Christian Service Program, Mass, Eucharistic Adoration, or Faith leadership opportunities – our students live out our motto of Serving God, Serving Others. **God is good, all the time and all the time, God is good!**

Badin has had a terrific past and has a very bright future. Our campus continues to grow, and our enrollment continues to increase. Unfortunately, many families are not able to afford a Catholic Education without the help of others. Our mission to inspire young men and women to achieve their personal best, live their faith and lead the future applies– not just for those who can pay full tuition but for all families who desire a Catholic education for their high school children. To be able to achieve our mission, we must increase the financial resources available to us. The Annual Fund is the lifeline of our financial aid. The more resources we have available to us, the more we can assist families. We want to thank all of you for your financial support and providing the financial assistance many of our families need.

The foundation of Badin was established by Hamilton Catholic and Notre Dame. The success of our school can be directly attributed to the outstanding support of our alumni and benefactors. Your contribution of time, talent and treasure allow us to provide a tremendous educational experience for our current and future students. We would like to thank you for your continued support of Badin. May God bless you and your family.

Go Rams!

### THE FR. STEPHEN T. BADIN LEGACY SOCIETY

was established in 2000 to recognize

alumni, parents and friends who have established funds benefitting Badin High School at a local community foundation or other public charity, remembered Badin High School in their estate plans by establishing an endowed fund, or through a future, planned gift (beneficiary of life insurance, retirement assets, charitable trusts, charitable gift annuities, and/or gifts of real estate, securities, or other assets).

Currently, Badin holds a number of endowment funds as a result of generous planned gifts. These funds provide much needed tuition assistance for Badin students, as well as income for school programs and operations.

**The Class of 1983 was well represented at the 2023 Alumni Golf Outing, during their 40th reunion weekend!**

**Scholarship and Awards Night is a tremendous way to end the school year. We are blessed to have generous donors who provide scholarships to current and graduating students. Abby Rengering '24 received the Paul Seal Memorial Scholarship in May, and is standing between Paul's daughter and son-in-law: Jennifer and Andy Riegert.**

**It was terrific to welcome back Mrs. Andrea Lora-Ortiz to Badin High School in October. Andrea was an exchange student at Badin during the 1997-98 school year. She is now a dentist in suburban Bogota, Colombia, after growing up in Cali. She is visiting with her husband, Mauricio, and her children, Mauricio Jr., 15, and Emilio, 13. They were thrilled to be spending time with their host family, Carl and Bonita Fauver of West Chester, previously of Columbia Road in Hamilton.**
