ANNUAL REPORT

2024-2025

Dear Investors,

We pray that all our alumni, friends and investors are doing well.

'God is good all the time and all the time God is good!!' This past year, we say this as a school at the start of every Mass and at the end of prayer many days, and it has been evident this year at Badin. God has been good to Badin High School in many ways but especially with the generosity and support our benefactors provided this past year.

Thank you to all of you who have invested in the students at Badin High School and the future of our beloved BHS. As alumni, parents, and benefactors of Badin High School, we have a tremendous amount of pride in the history of Badin and the future for this excellent institution. The Badin experience is one that can only be explained by experiencing it firsthand as a student, parent, or alumni. The core values that were present when the building opened in the fall of 1966 guide us as we further our mission to empower young men and women to achieve their personal best, live their faith and lead the future.

As part of our recent strategic plan, we developed six core beliefs. The second belief is: *We are better together as a Badin family*. If you have driven by 571 New London in the past year or have attended an event here at Badin, you have seen this belief in action. The transition of our school into a full campus is a testament to this statement – We are better together as a Badin family. Without each of you who contributed to Building a Brighter Badin, we would not have the Military Memorial on campus, the new parking lot or the state-of-the-art Matandy SportsPlex.

The Badin High School Board of Trustees

is a dedicated group of men and women whose main priority is to be a decision-making group, responsible for the governance of the school in the best interests of the school and the Archdiocese of Cincinnati. The Board oversees school policies, mission, long-range planning and monitors school operations.

Belief number one is: *We are children of God*. This belief is evident throughout our school in various ways, but faith formation continues to be the focus of our mission. We are proud to be a Sisters of Notre Dame de Namur Learning Community. Our retreat program, Christian service program and mission trips allow our students to grow in their understanding of God as they live out their faith and see that we are all children of God.

Belief number three and four are: *We are called to constantly grow and excellence happens on purpose*. There is excitement around the building as the faculty and staff continue to support and challenge our students to constantly grow and teach with a passion that provides energy in the building. Our teachers demonstrate to our students that excellence does happen on purpose through thoughtful and engaging lessons. Our increase in enrollment over the past 13 years is a testament to the dedication, creativity, and student-centered approach our teachers demonstrate daily. We are focused on providing an educational experience that meets our students where they are, challenges our students to explore their passions and reach their personal best.

With the increased enrollment, the financial sacrifice our parents must make to pay the tuition has also increased – even with the EdChoice scholarship that families are able to apply for through the state. Unfortunately, many families cannot afford a Catholic Education without the help of others. Our vision is to profoundly shape the way students Think, Achieve, Serve and Lead – not just for those who can pay full tuition but for all families who desire a Catholic education for their high school children. To be able to achieve our vision, we must increase the financial resources available to us to pass on to our families who need it. The Annual Fund is the lifeline of our financial aid. The more resources we have available to us, the more we can assist families. We want to thank all of you for your financial support and providing the financial assistance many of our families need.

The foundation of Badin was established by Hamilton Catholic and Notre Dame High Schools. The success of our school can be directly attributed to the outstanding support of our alumni and benefactors. Your contribution of time, talent, and treasure allows us to provide a tremendous educational experience for our current and future students. We would like to thank you for your continued support of Badin. May God bless you and your family.

Go Rams!

THE FR. STEPHEN T. BADIN LEGACY SOCIETY

was established in 2000 to recognize alumni, parents and friends who have established funds benefitting Badin High School at a local community foundation or other public charity, remembered Badin High School in their estate plans by establishing an endowed fund, or through a future, planned gift (beneficiary of life insurance, retirement assets, charitable trusts, charitable gift annuities, and/or gifts of real estate, securities, or other assets).

Currently, Badin holds a number of endowment funds as a result of generous planned gifts. These funds provide much needed tuition assistance for Badin students, as well as income for school programs and operations.

GIVE THE GIFT OF EDUCATION...FOREVER

Have you included Badin in your will or estate plan?

Is Badin the beneficiary of a life insurance or qualified retirement plan?

Have you established an endowed fund benefitting Badin High School at a local community foundation or other public charity?

Would you like more information on how making a planned gift to Badin could possibly benefit you and your heirs?

Contact Brian Pendergest '90 to find out just how simple making a planned gift can be! You have the power to help Badin students FOREVER!

There can be a number of tax advantages to making a planned gift, in addition to the benefit of knowing your legacy of support for Badin and Catholic education continues after your life. If you would like more information on how to include Badin in your estate plan, or to discuss planned giving options, contact Brian Pendergest '90, President, at 513-863-3993 x115 or bpendergest@BadinHS.org.

LANNI FAMILY STADIUM at MATANDY SPORTSPLEX

Building a Brighter Badin

**MATANDY
SPORTSPLEX**

LANNI FAMILY STADIUM

The \$15 million multi-sport athletic complex includes:

- Seating for 2,400+
- Full synthetic field and track
- Concession Stands
- Restrooms
- Military Memorial sponsored by the late George 'Bud' '57 & Marie Brown Family
- Ticket Booths
- Press Box
- Large Scoreboard
- Light & Sound Systems
- Locker Room Facilities
- Full Synthetic Practice Field
- Parking Lot
- Alumni Room

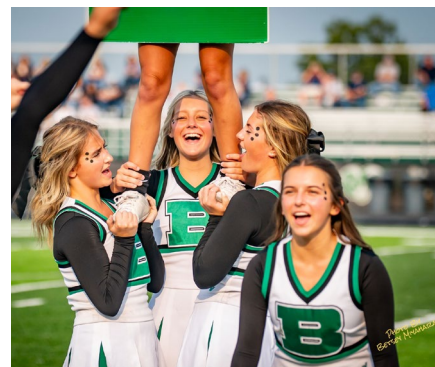

- **Grotto to Mary** sponsored by The Haire Family

Thank you for your support of this much awaited project!

If you asked most people 5 years ago if Badin would ever have a stadium, that answer would probably have been NO. But with the help of Frank '69 and Joanne Lepena '72 Pfirman, the Lanni Family, many alumni and community supporters - we have built an amazing multi-sport stadium that serves all of our students, and brings much pride to our alumni.

Please attend a game if you can! Support our Rams as they play at #OurHouse!

Some 60 professionals – many of them Badin grads – spent several hours of their morning in November 2024 sharing their expertise at our biennial Career Day.

For more than 25 years, Kairos – meaning “God’s Time” – has been a memorable four-day, three-night retreat for all seniors.
