# You Remember The Feeling That Special Someone

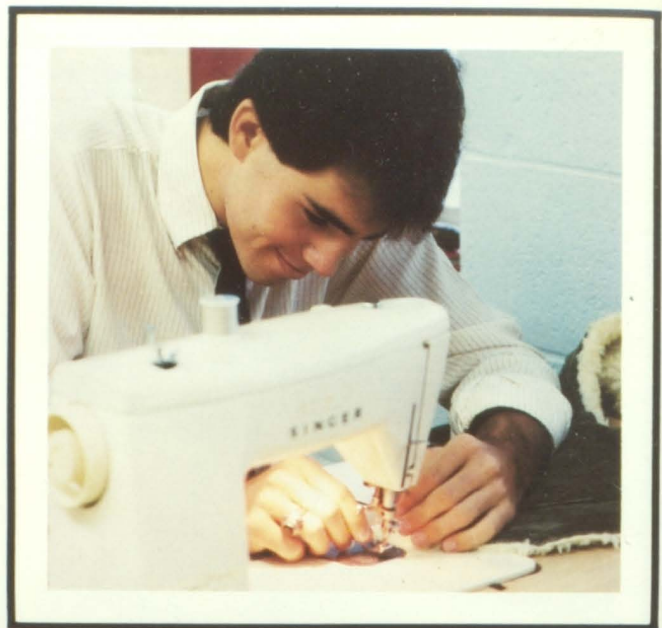

How many of us will ever forget the first new friend we made our freshmen year? Or that teacher we looked up to and respected?

It is so important to have someone with whom to experience those special times. Here at Badin, we have many people to share the best years of our lives.

# You Remember Feeling Anticipation

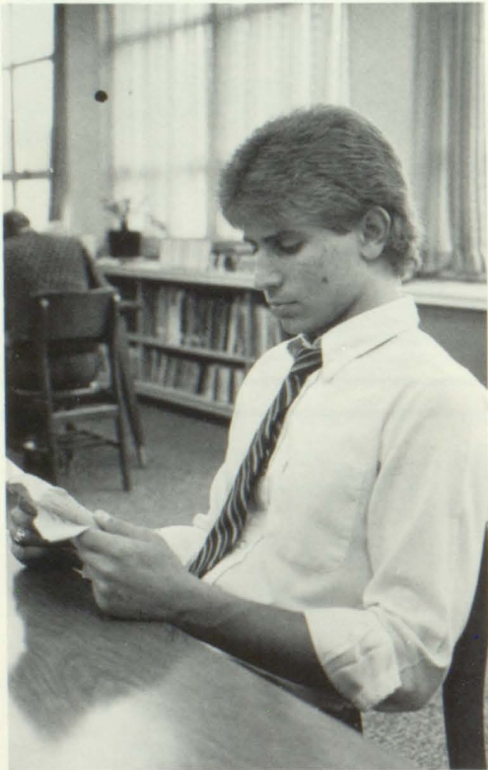

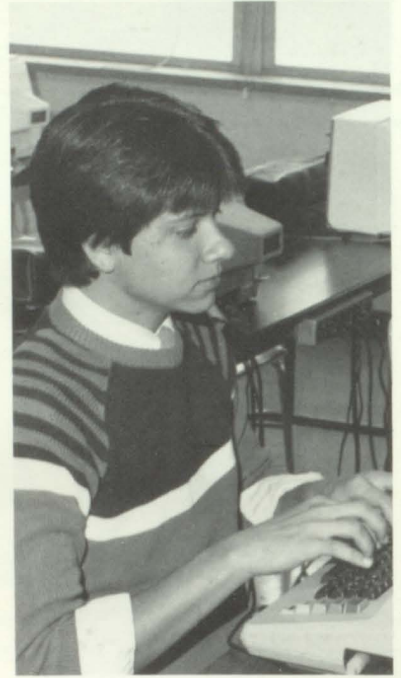

Anticipation is a part of every student's life at Badin. We started the school year with the challenge of a new beginning, of new classes, of new teachers, and of growing up. Yet from that day late in August, we couldn't wait for June.

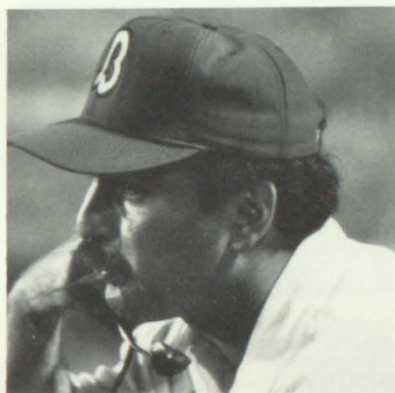

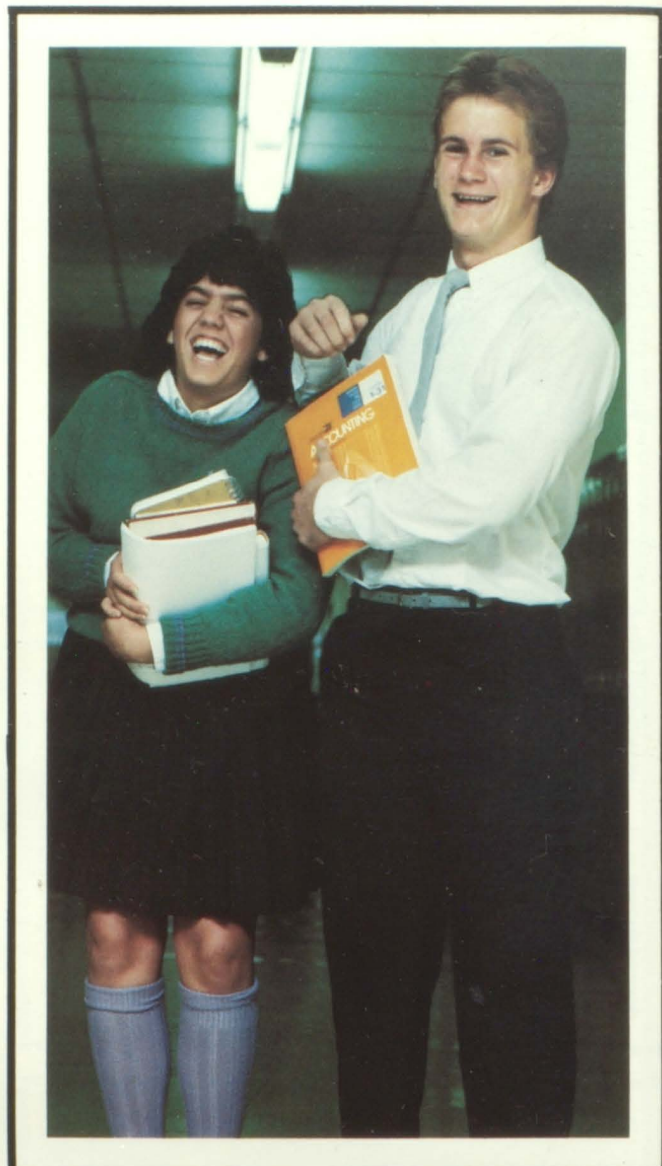

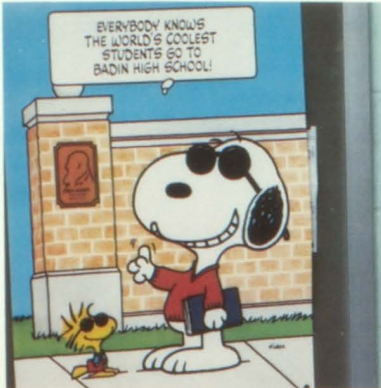

## You Remember The Feeling Good Times And Bad

One hundred and eighty days are marked on the Badin students' calendar. During this period, we have a few bad days: Demerits, failed tests, or a streak of bad luck can put the happiest person in a rotten mood. But along with the unfortunate moments come the good times: Winning a game, earning a high grade, and sharing fun with friends make the memories we will keep for years to come.

# You Remember The Feeling Spirit And Pride

There are many qualities that make up a student, but spirit and pride are two points that separate the Badin student from the rest. As freshmen we walk through the doors and begin to learn what spirit and pride mean. As seniors we leave and take these qualities with us — to last a life time.

## You Remember The Feeling **Mixed Emotions**

Expressions change with the flip of a coin. Students move from class to class in an emotional upheaval. Angry, jubilant, bored, appreciative, confused: we will always remember the feelings.

# Homecoming '83

Tradition played a big part in the success of Badin High School's 1983 Homecoming. The varsity football team played an exciting game which led to a defeat for Dayton Chaminade. During halftime, queen Teri Hinchberger and her attendants Jenny Westrick, Peggy Noland, Nan Larkin, and Debbie Conrad were introduced. And, once again, the seniors won the float competition with their theme, Island Queen.

The theme of the dance was "Hawaiian Nights." The dance was held in the Badin gym on October 9, 1983 with music provided by Ped X.

After much thought and extreme pressure, the 1984 Rampage Staff has decided to dedicate this yearbook to Ms. Margaret Winkeljohn. "Wink" has been our moderator for nine years and we believe she has earned this high honor. We once tried to discuss this with her in homeroom and she told us: "No, you may **not** dedicate this yearbook to me. Get a real person." Valuing Wink's opinion, but usually ignoring it, I decided to go ahead with the dedication.

Ms. Winkeljohn has not confined her vast reservoir of knowledge to the publication of the yearbook. She was the girls swimming and diving coach for six years. She was also the faculty advisor for the newspaper for many years. She has directed numerous theatrical productions in the past. However, in 1984 Ms. Winkeljohn was offered the position of Director of Development. Because of the extreme responsibility of the role, Wink had to give up many of her activities. She loved us so much, she gave up everything except yearbook and media.

In closing, I would like to add a few comments. The entire staff did a fine job this year and I would like to thank them. We all sincerely believe Wink deserves this dedication. She has helped us in the struggle to meet many deadlines and was always there to offer her support. She let us do the planning of this yearbook, even though she often disagreed with our ideas. We cannot thank her enough for her help and knowledge.

Sheila Gallagher, editor  
and the 1984 Rampage Staff

P.S. You didn't think we would do this, did you, Wink?
