Footprints In Time

footprints in time ...

SCHOOL DAYS

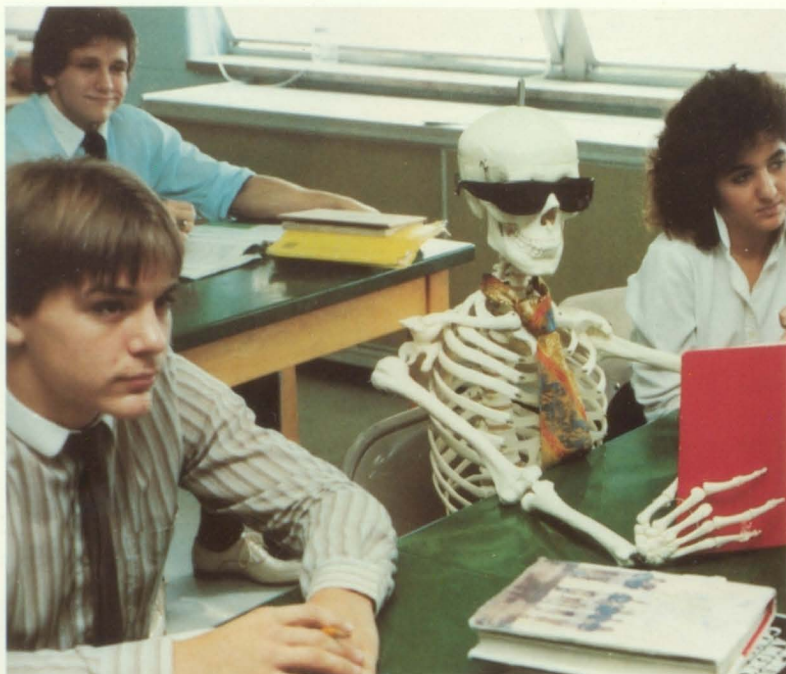

The halls are dark now,
but with the ringing
of the 7:30 bell
they will fill
with the sound of footsteps.
Many times
throughout the day,
these halls will empty
and then be crowded again
with a mad rush of students.
After the sound
of the 2:30 bell,
these footsteps
will slowly fade and
the halls will again be dark
until the arrival
of another day.

FRIENDS

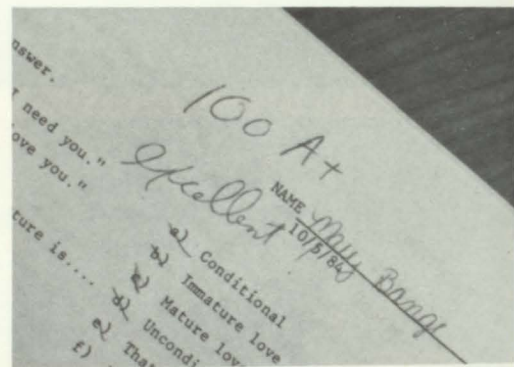

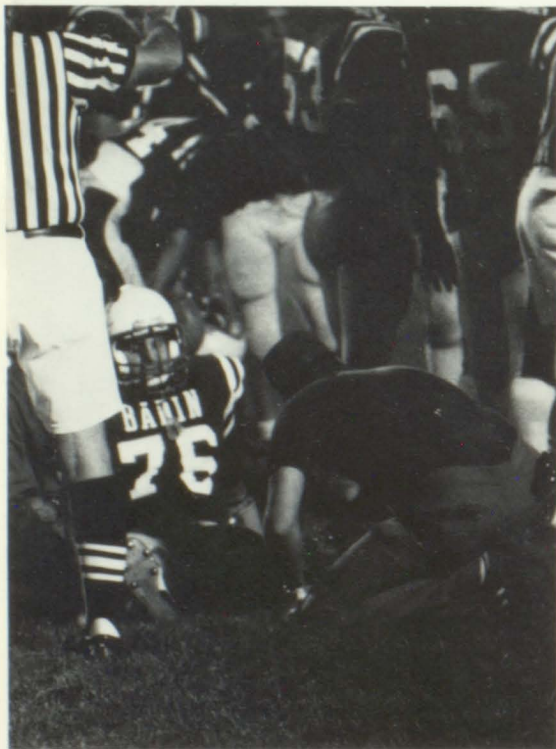

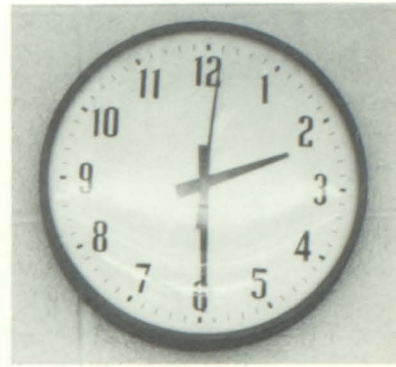

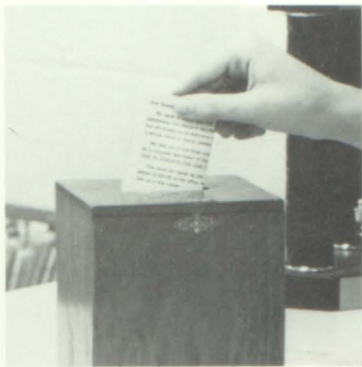

The start of a new year means making new friends and cherishing the old. Times change and people move on; but the footprints stay behind — the marks left by the past for the future.

footprints in time . . .

GOOD AND BAD

Good and bad
balance each other
as each of us
leaves our footprints behind
to be measured
only by the passage of time.
Whatever the bad times
may have been,
we hear the echo
of our own footsteps
as we strive
to make the magic last.

footprints in time . . .

UNIQUENESS

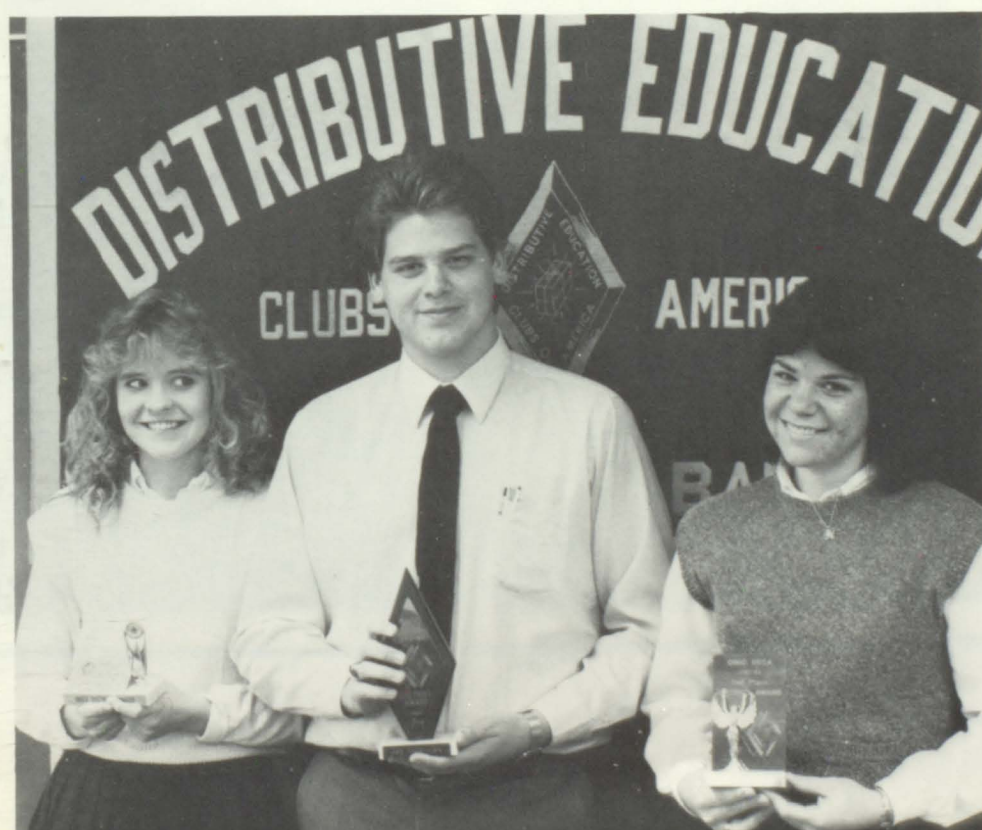

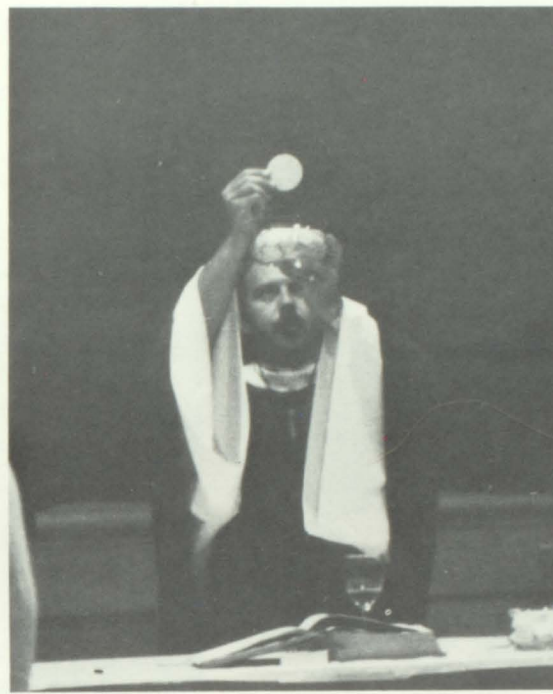

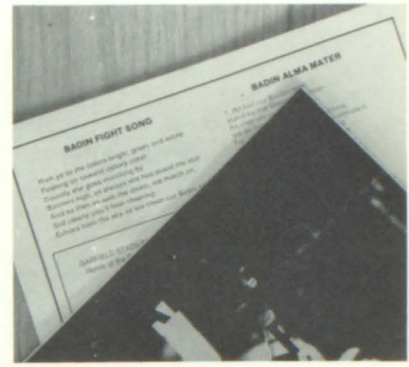

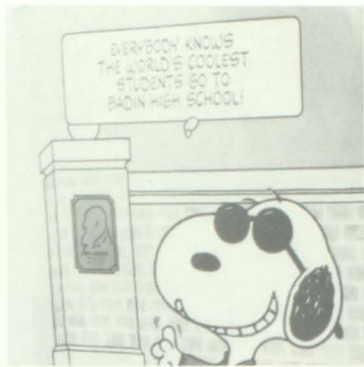

Footprints —
they come in all
different sizes
just as each of us
is different.
Sometimes
the sounds of footsteps
are loud
as we go with the crowd,
but often
there is only the sound
of one set of footsteps
as the individual in us
struggles to make it alone.
Each trace left behind
is a visible sign
of the uniqueness
of each individual.

footprints in time . . .

CHALLENGES

Our footsteps lead us to meet the challenges of the coming day — spiritually, academically, and athletically. The Ram Spirit is in all of us and it dares us to be ourselves and challenges us to be as one.

HOMECOMING

Homecoming festivities were highlighted by a 26-14 victory over Purcell-Marian. In the float competition the juniors garnered first place. The dance featured music by Free Reins and was in Badin's gym on Sunday night, September 30, which was earlier than usual.

Dedications are not easy to choose because there are so many people and ideals that are special to us.

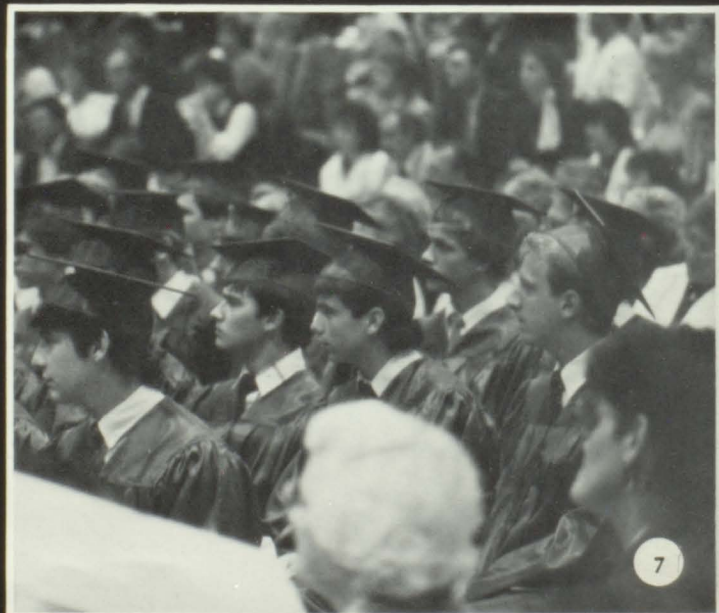

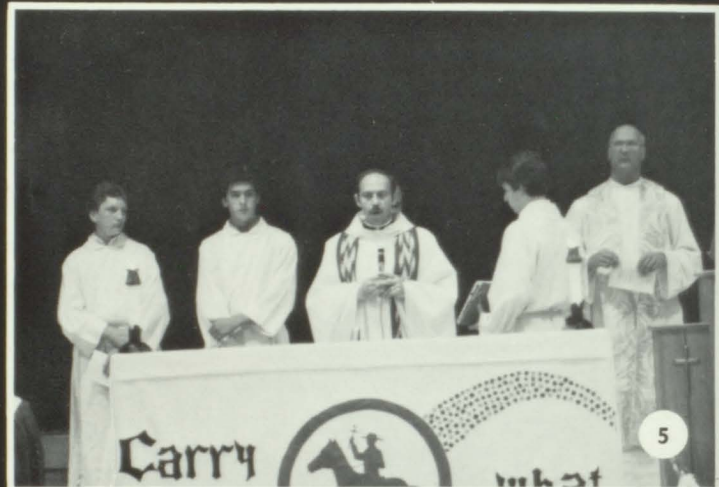

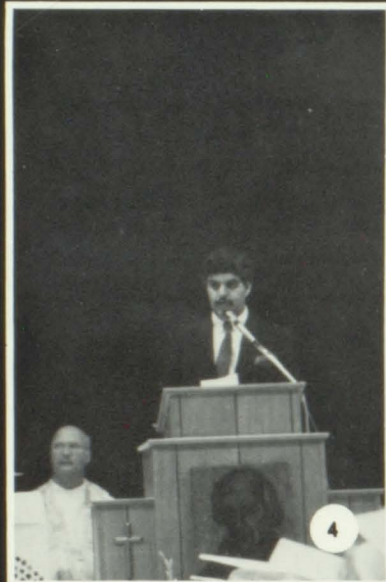

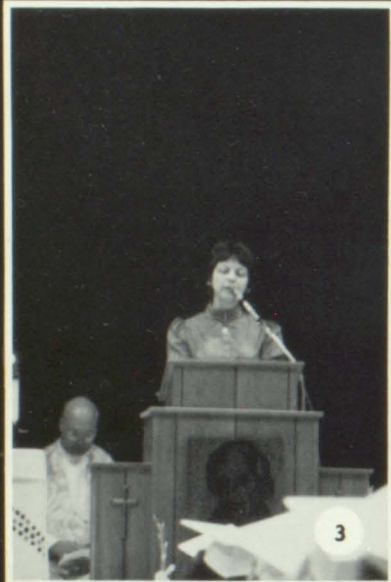

We recognize those people who have helped us to acknowledge our eternal goal — to live good Christian lives and those who have helped us to determine definite means to obtain it.

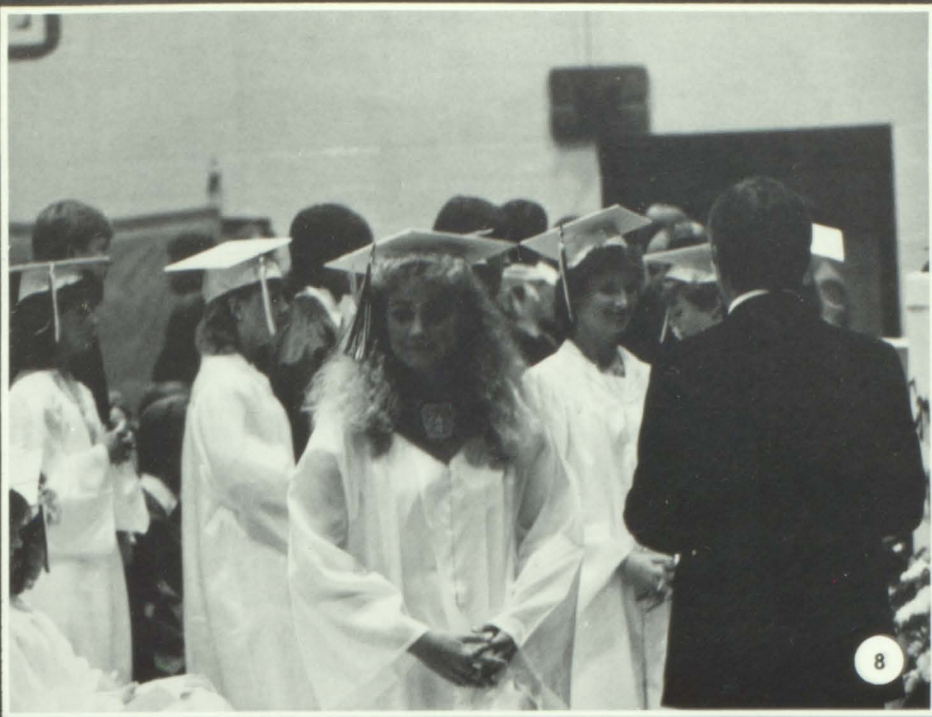

We dedicate the 1985 Rampage to the RELIGION DEPARTMENT who guided us for four years and who taught us the principles of Christian philosophy for which our school is well known.

We especially want to dedicate this book to Fr. Dave Wolfer for the spiritual guidance he has given in class and through his music and for his never flagging sense of humor. He will be missed. We recognize Fr. Rick Unwin for his homilies and "magic tricks" and Bill Mulcahey who prepares us for life with his course selections on marriage and death.

The knowledge that we are well-trained spiritually and academically gives us the courage to face the future.

For the class of '86, junior year was one filled with many different and exciting events. They started off a spirited autumn by winning the float competition in the Homecoming parade. Many of the students joined together to put in long hours of work into their "Floating to the Top" float. These hard working hours made new friendships and brought some students closer together.

Anticipation is a big part of junior year. There is the excitement of becoming a senior and all the privileges — privileges like being on Homecoming and Prom Court, using the senior cut line, going on 2-day retreats, running for Student Council president or vice-president, being able to choose from more class electives and early release.

POST-SCRIPT

As our SCHOOL DAYS come to a close we say good-bye to our FRIENDS so dear. We have shared both GOOD & BAD in our days at Badin. Spirit, Pride, Tradition and Unity has been our motto as we have grown in our UNIQUENESS. Now we move on to meet the CHALLENGES in our future.

The background of the page features a large window with a view of a landscape. In the foreground, the silhouettes of a man and a woman are visible, standing and looking out the window. The man is on the right, and the woman is on the left. The text is overlaid on the central part of the image.

Footprints

One night a man had a dream. He dreamed he was walking along the beach with the LORD. Across the sky flashed scenes from his life. For each scene, he noticed two sets of footprints in the sand; one belonging to him, and the other to the LORD.

When the last scene of his life flashed before him, he looked back at the footprints in the sand. He noticed that many times along the path of his life there was only one set of footprints. He also noticed that it happened at the very lowest and saddest times in his life.

This really bothered him and he questioned the LORD about it. "LORD, you said that once I decided to follow you, you'd walk with me all the way. But I have noticed that during the most troublesome times in my life, there is only one set of footprints. I don't understand why when I needed you most you would leave me."

The LORD replied, "My precious, precious child, I love you and I would never leave you. During your times of trial and suffering, when you see only one set of footprints, it was then that I carried you."
