GREAT MEMORIES . . .

... LASTING FRIENDSHIPS

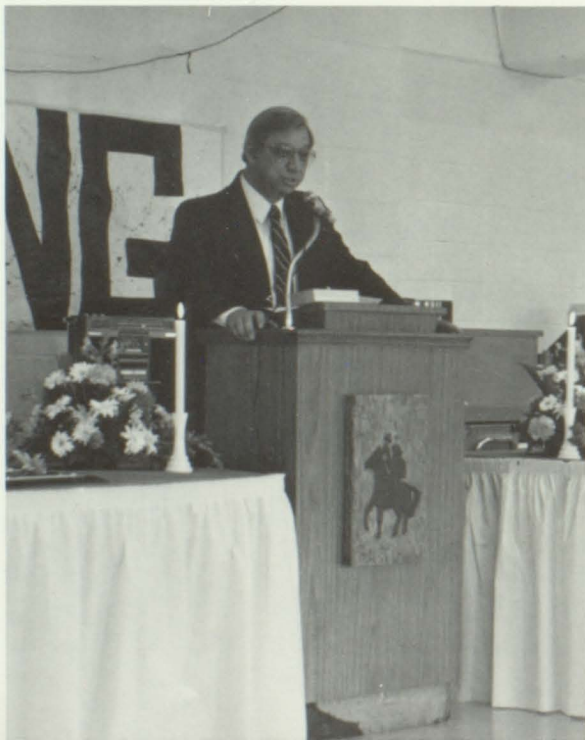

SHOWING US ALL A LITTLE COURAGE — STEVE WOLTERMAN —

When basketball season began, Steve Wolterman had high expectations for what the season would hold. Until Dec. 23 his expectations were becoming reality. The team was off to a great start and colleges were becoming interested in him. On this day, Steve lost sight in one of his eyes due to a freak accident. Many thought Steve's career was over but not Steve. The next day Steve was back in the gym shooting free throws. Steve refused to let this stop him. He kept working while allowing the eye to heal and returned against Moeller only 3 weeks later. Steve kept on going and helped lead the Rams to their best record of 19-4. Steve's fortitude earned him the respect of not only his supporters but also that of his opponents. He was an inspiration to us all. I think we were all happy to know he would continue playing at Ohio Northern. Steve, best of luck!!

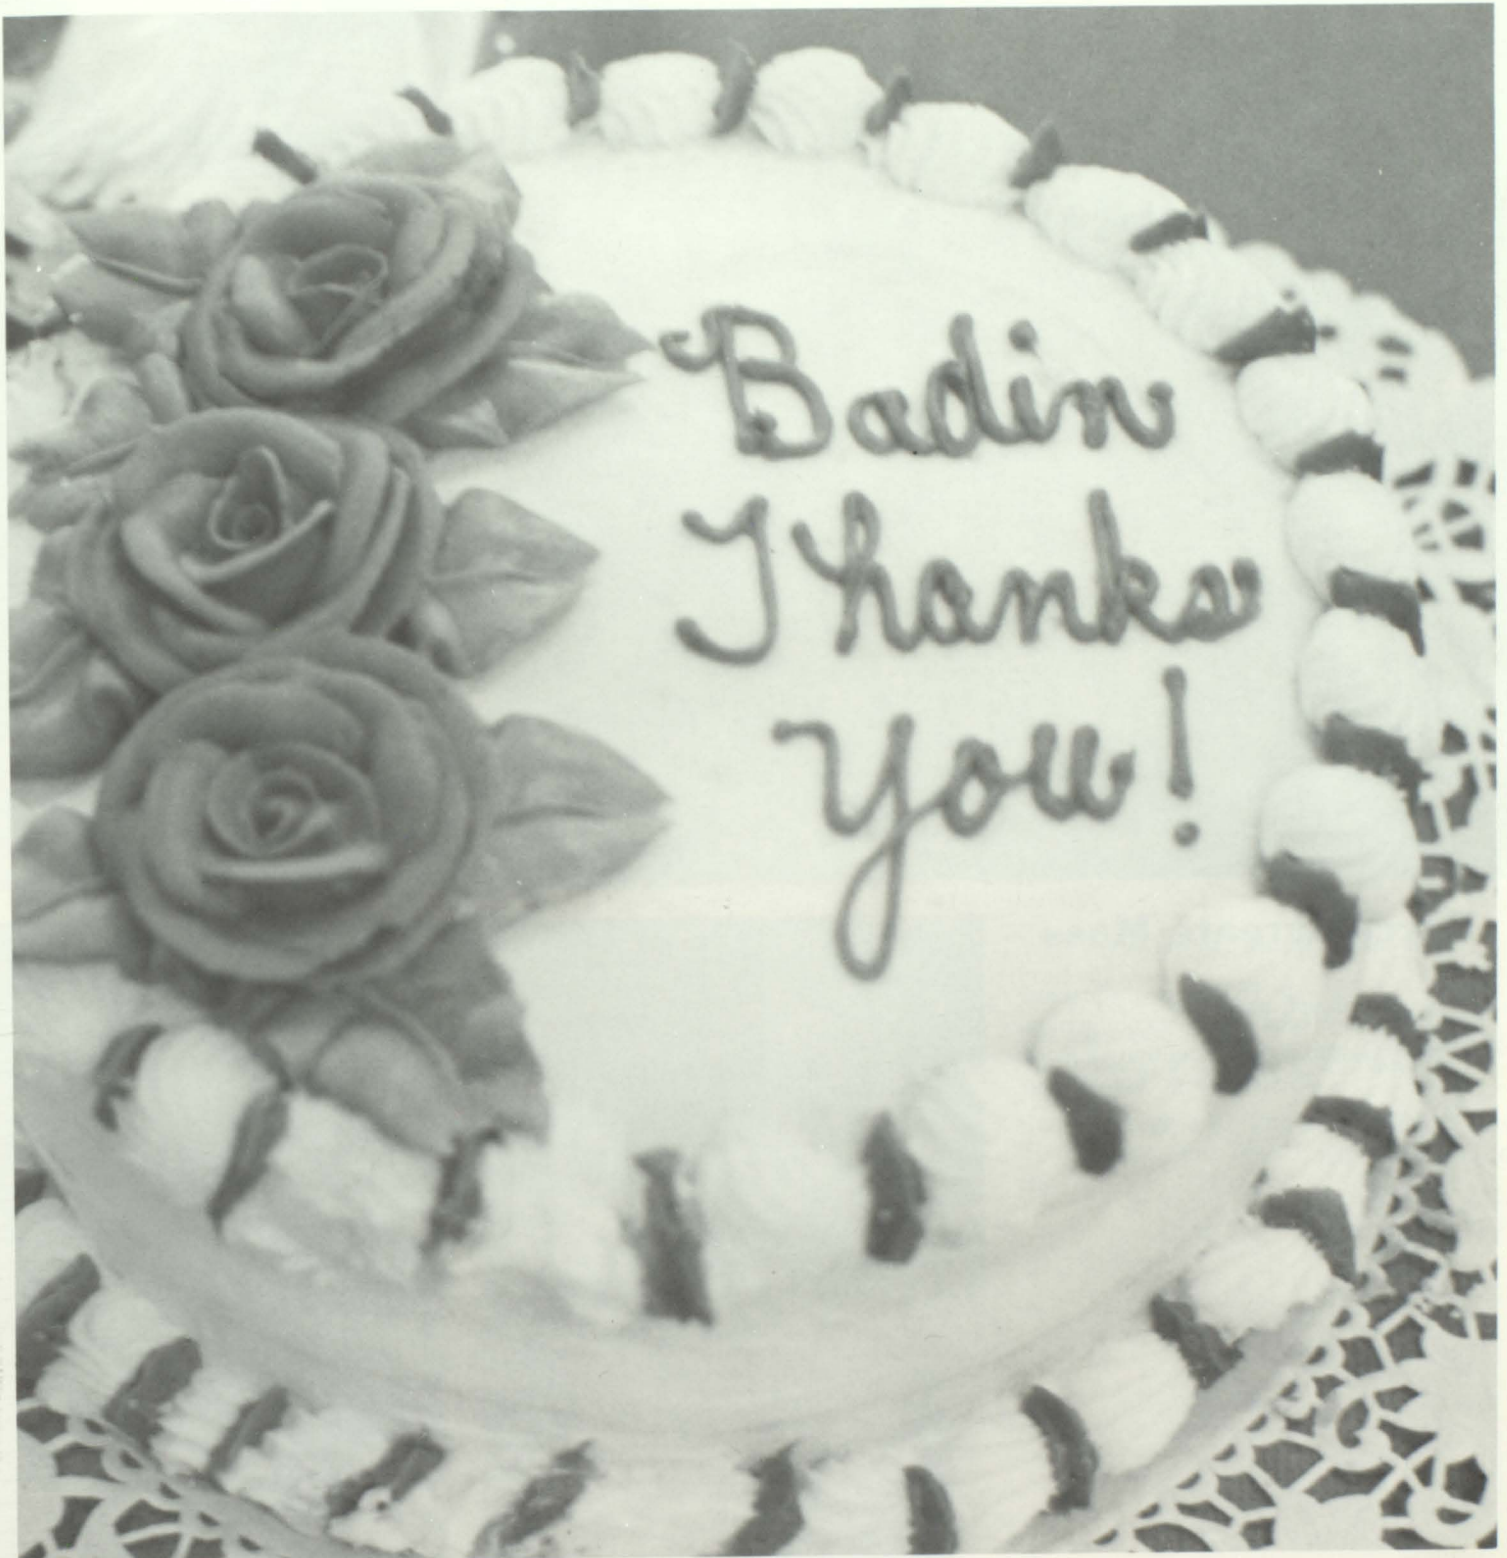

INVESTMENT IN EXCELLENCE

On behalf of the entire yearbook staff, I would like to dedicate this yearbook to all the people who worked on the Investment in Excellence fund drive. This fund drive, which raised over \$950,000, will greatly benefit our school. The money will be used to renovate and repair the school facilities and to purchase additional items which are necessary to keep Badin's educational standards high.

For their hard work and dedication, a special thanks goes to Bob Ernst and Jack Loeffler, co-chairmen. another special

thanks goes to the steering committee for their hard work. We would also like to thank each and every person who worked on the campaign, from students to grandparents. The campaign would not have been as successful if the whole community had not pulled together to make it work. The people of Hamilton, Farifield, and the surrounding areas gave of their time and efforts to insure the continued Excellence at Badin. Let's be thankful and make them proud! Eric Zeek
