Days Of Our Lives

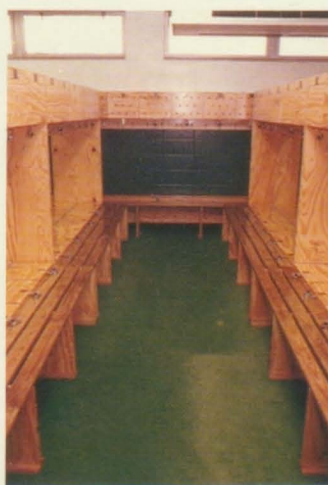

Stephen T. Badin High School — Hamilton, Ohio

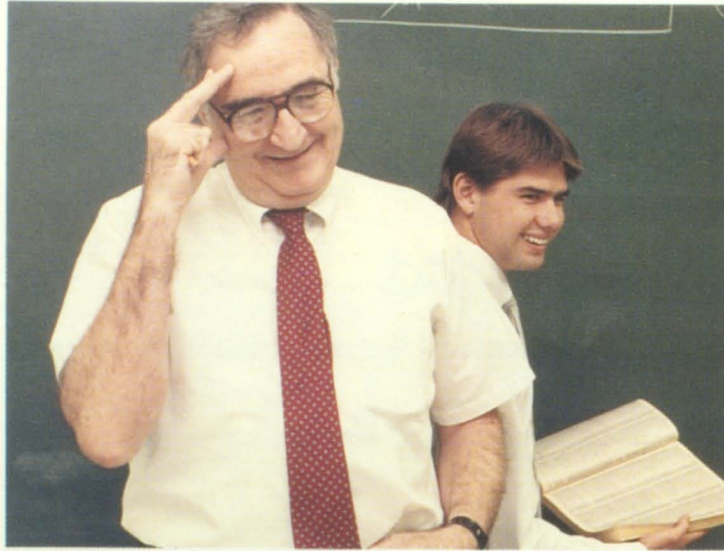

Happy Days

Learning. Teaching. Participating. Organizing. All of us at Badin have the opportunities to make our own happy days. We create our own good times by involving ourselves in every aspect of high school life. Happy days surround us from Freshman year to graduation day.

That's Incredible

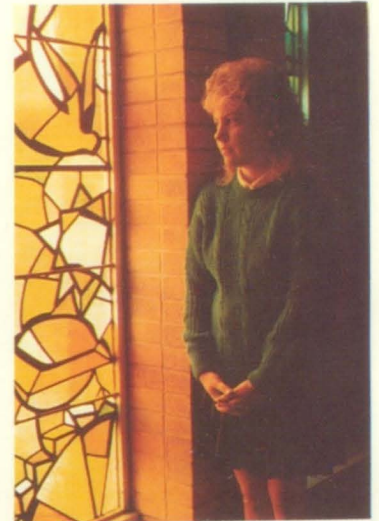

In the midst of the mundane schedule of classes, a twinkle of something extraordinary catches our attention. Like a falling star, these events are seldom seen but leave lasting impressions in our minds. These events somehow elevate all who witness them to a greater appreciation of the incredible people here at Badin.

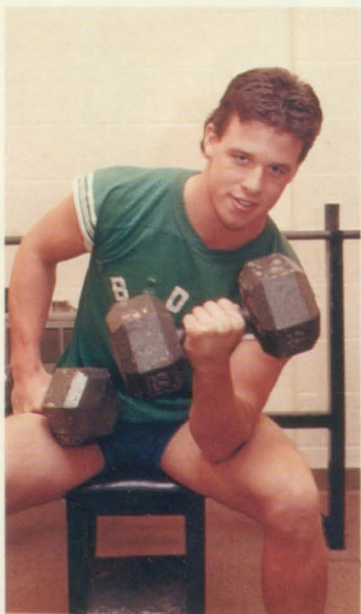

Real People

Who are the students at Badin High School? Achievers. Leaders. Followers. Athletes. Liberals. Conservatives. We have them all. The Badin enthusiasm and spirit can always be seen in the unity both in and out of class. The students are motivated to discover individual potential and talent, yet always working together for success. Lasting friendships are characteristics of our everyday school life.

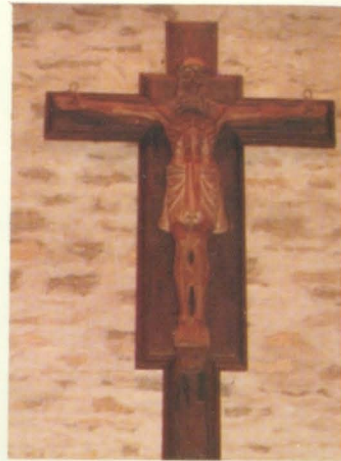

The Bold And The Beautiful

"The times, they are a changing" within the walls of Badin High School. From the men of the Home Ec. Department to the prom previews, the bold and beautiful Rams are sharing roles. With the Key Club members and the women golfers, the students of Badin are not afraid to display their talents. With a little bit of boldness, everyone takes a chance to show a lot of beauty.

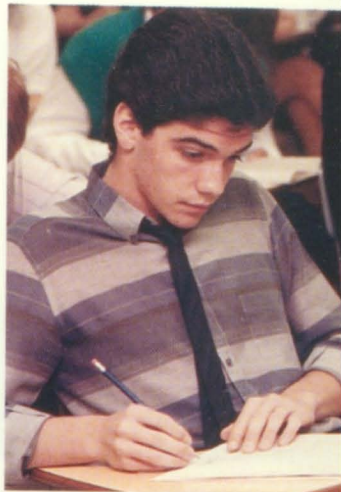

Family Ties

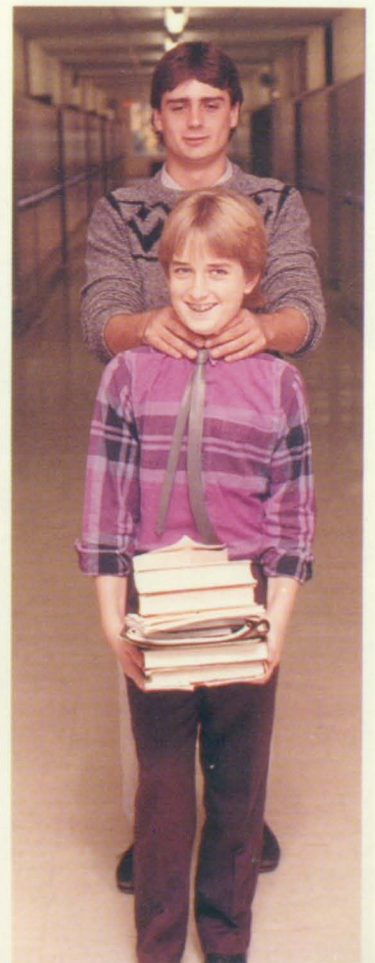

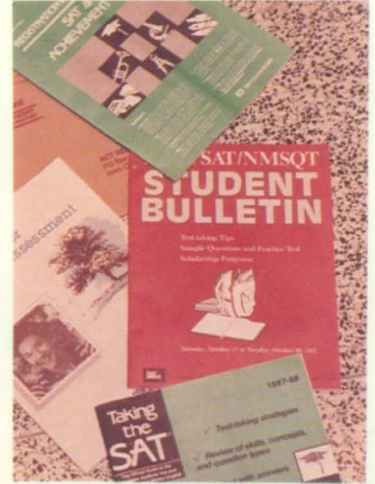

The family unit is a precious one — to be valued and cherished. It should never be taken for granted. When we walk down the halls or sprint down the football field, our family of friends, relatives, and teachers are here to motivate and encourage us. We look to our family in times of need — the family that we call Badin.

Growing Pains

The growing pains of Badin High come and go with each school year. As freshmen, we set foot in this school, filled with an ambivalence of eagerness and anxiety. We overcame everyday mishaps of locks turned backwards and people using the wrong side of the stairs to encounter bigger challenges such as senior research papers and physics class. As we await our diplomas on graduation night, we think back on our growing pains with a sense of nostalgia, knowing in our hearts that the pain of growing up was very small for the wisdom we have gained.

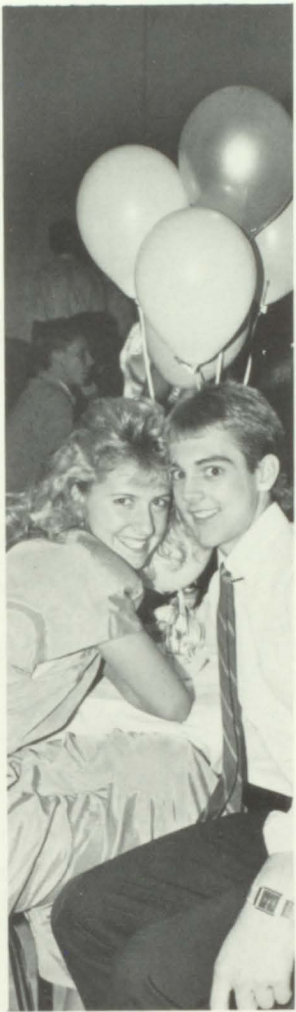

Homecoming

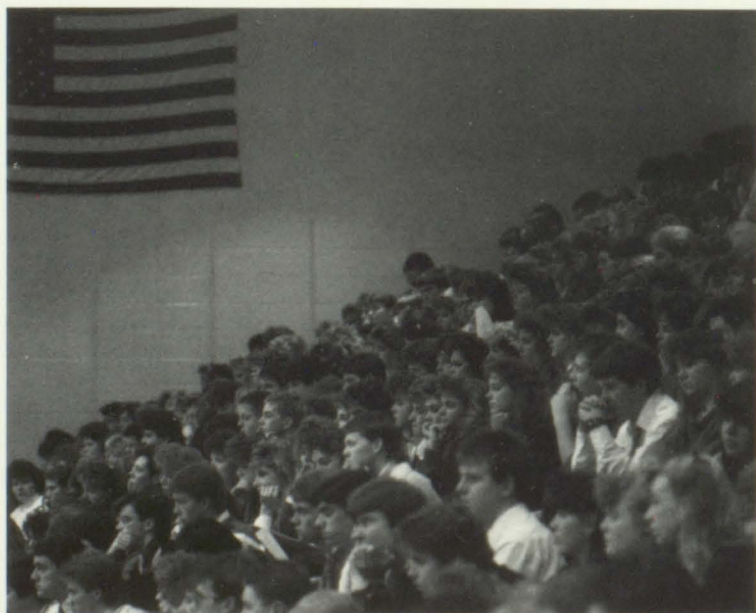

Badin High School's annual Homecoming was held on the weekend of October 10-11 with the parade and game on Saturday and the dance on Sunday. Queen Amy Schellenbach was crowned at halftime of our 21-6 thrashing of Cincinnati Taft. Members of the court included Peggy Hogan, Karla Koch, Angie Ridenour, and Amy Wolpert. The seniors won the float competition with "Enchantment Under The Sea." The dance was decorated to the theme of "Meet Me Halfway." Homecoming '87 was one of the special "Days Of Our Lives."

10/11/27 — 4/23/88

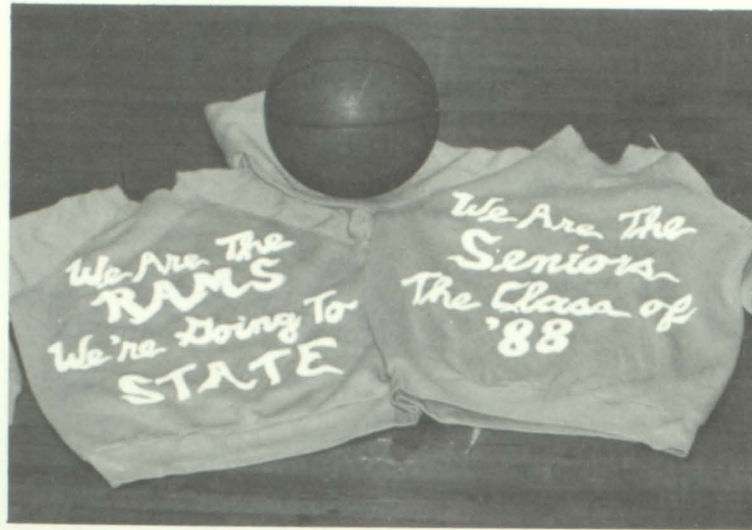

A gentle love —
A worthwhile risk —
A little smile —
We all will miss.

A little hope
To keep us strong;
To be together —
The wait is long.

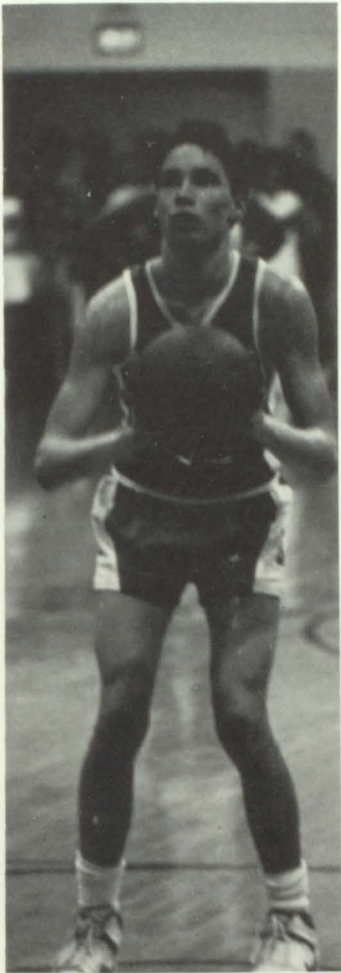

The love that is shared
Did last for years;
We miss you much
As shown in tears.

I know in Heaven
We all will meet;
But until then
Your memory stays sweet.
