Back to School Dance '16

At the end of every summer, Badin students get back into the swing of things by attending the Back to School Dance.

The freshmen are welcomed in by all of the upperclassmen. All students wear their class colors, except for the seniors who choose a theme. This years theme for the seniors was Hawaiian.

The Back to School Dance allows new students to meet their classmates and older students to reunite with friends they might not have seen all summer.

Kai-High in June: Champion

Kairos Leaders

"I especially love June Kairos because it is always my first opportunity to get to know the incoming seniors and my last chance to spend time with the recent graduates."

- Mrs. Minton

"Kairos is four of the best days of the year, every year. Rewarding and refreshing. I always feel blessed to be a part of the June experience."

- Dirk Q. Allen

"I had been waiting 3 years to share Kairos with this group of students because they were my first class of freshmen. I absolutely loved the experience!"
#whosonyourteam

- Mrs. Breetz

Kairos Leaders

"Being able to lead July Kairos was truly a blessing. I was able to grow closer to my classmates and form bonds and friendships I know will last a life time."

- Senior, Sarah Schuster

"What the first Kairos started, the Kairos I led completed. It is truly amazing if you let it be amazing."

- Senior, Randy Geers

"Kairos was one of the most life changing experiences I've ever had. I loved getting to know my classmates better."

- Senior, Katie Brown

Welcome to the Herd

Class of 2020!

Say What?

"I had a great time during Freshmen Orientation. I liked playing all the games and getting to know people." - Jake Rosser

"When I walked into the school and everyone was giving me high fives, I knew I belonged at Badin."

- Jonathan Dopker

"Coming into Freshmen Orientation made me a little nervous. I was the only kid from my grade school to come to Badin. Mr. Allen made me stand up and introduce myself in front of everyone."

- Elizabeth McNealley

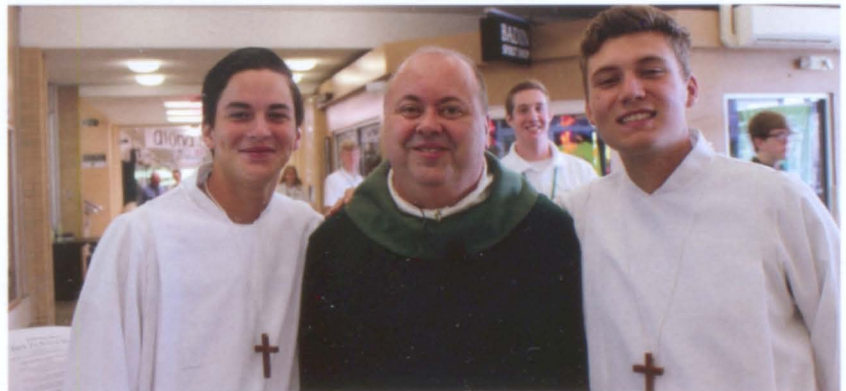

Each year, the seniors welcome the freshmen in for their Freshmen Orientation.

Students participate in different activities throughout the day, like learning the fight song.

Seniors: Sean Connor, Grant Fischer, Adam Gillespie, Chris Field and Evan Johnson clap the freshmen in.

The start of the season appeared promising for the veteran Badin Boys Varsity Golf Team.

However, after a strong finish at the 1st Round of GCL's, the team was plagued by inconsistency. Despite the early exit in the postseason, both of the senior captains, Jarvis and Miller, finished on the GCL All League Second Team.

"I potentially hold the record for the most broken clubs after 3 seasons in Badin Golf history" - Zack Jarvis

"I never knew I could have so much fun hitting a little ball around" - Nick Miller

"Opponent: Gavin was that 9 strokes on this hole already?
Me: I don't care, whatever floats your boat" - Gavin Matthews

"Crushed it!"

Jesus. Others. You.

October

Leading junior retreat was one of my favorite memories of senior year because I was able to help and watch the juniors grow in their faith, become more confident in themselves, and become more kind, accepting, and open to others. Knowing my speech touched their hearts meant a lot to me.

-Senior, Sierra Howard, on leading JOY

December

My favorite part of leading Joy on the junior retreat was being the ending speech. Having the opportunity to close out a retreat with my speech was a great feeling and a great responsibility that I would happily take again.

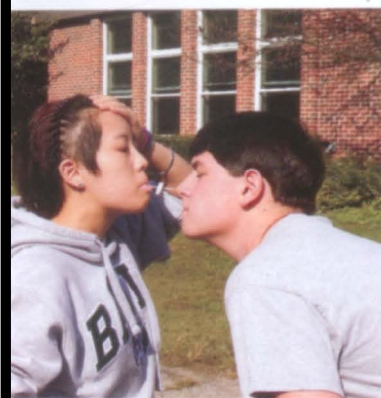

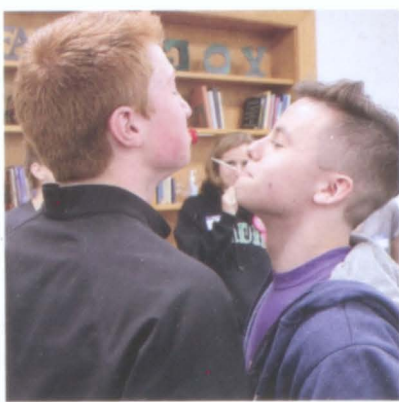

-Senior, Cameron Treinen, on leading JOY

January

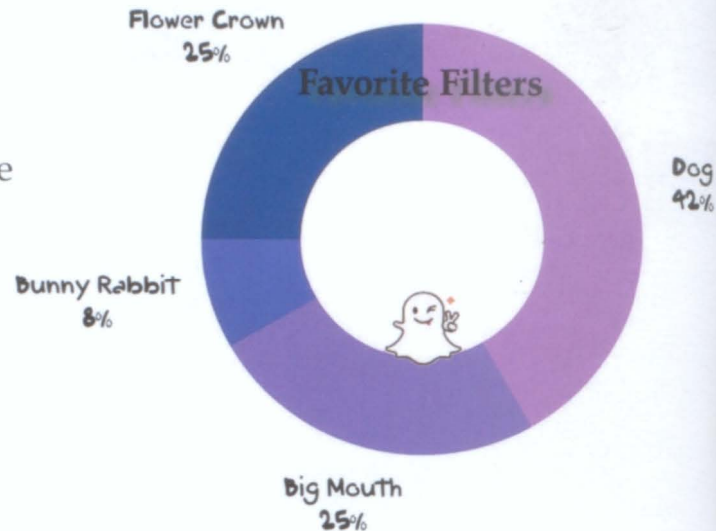

I loved leading Junior Retreat because I got to see how great the class is that we are passing off the school to. I became best friends with my group and hopefully taught at least one person something meaningful.

-Senior, Nick Mitrione, on leading JOY

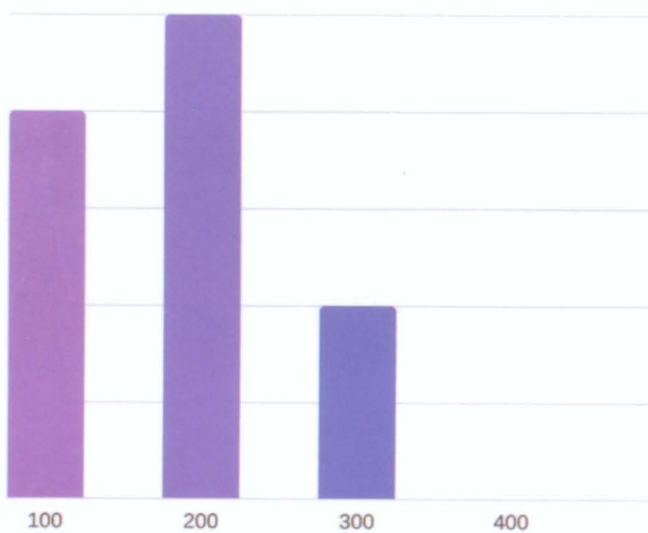

Junior 😂 Polls & Trends 2016-17

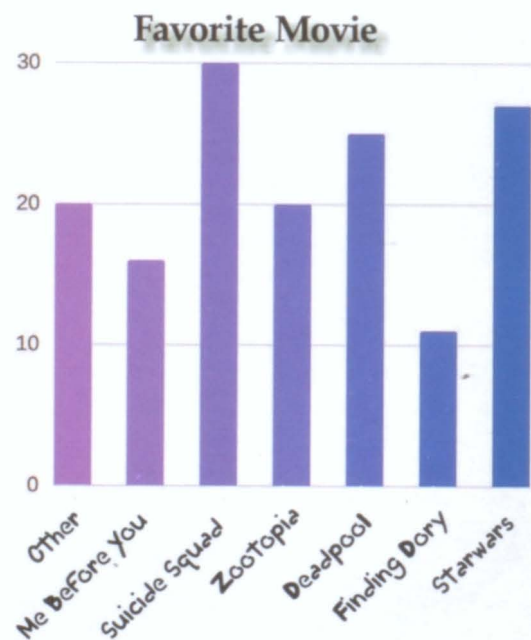

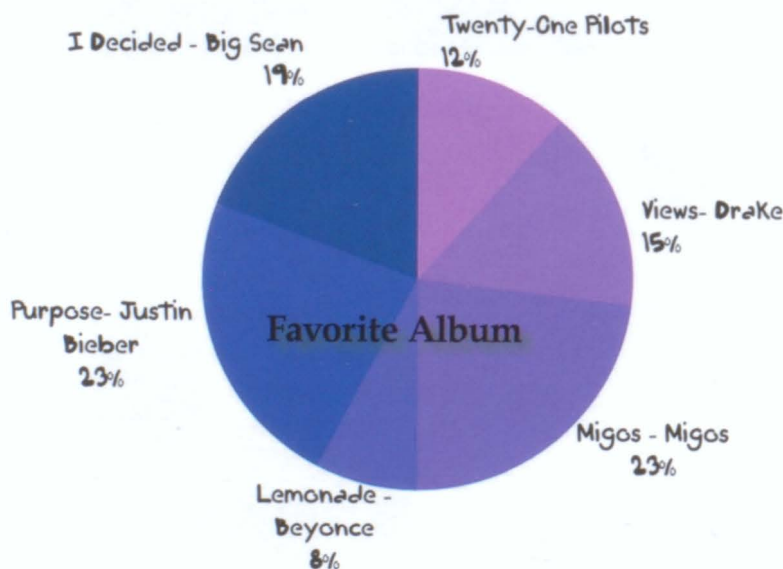

Some of the favorite filters were Flower Crown, Dog, Bunny Rabbit, and Big Mouth. The winner of all was the Dog. In second place was the Flower Crown, tied with Big Mouth. The Bunny Rabbit filter came in last place.

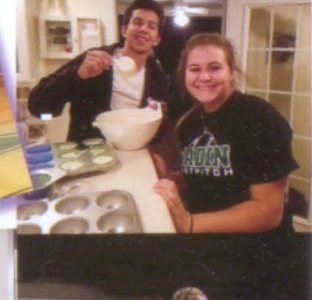

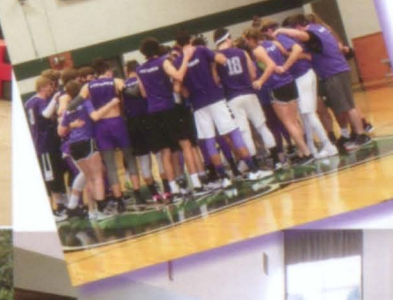

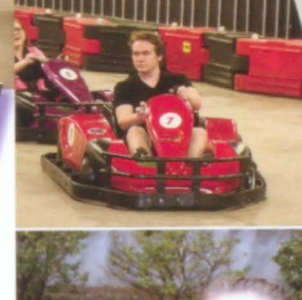

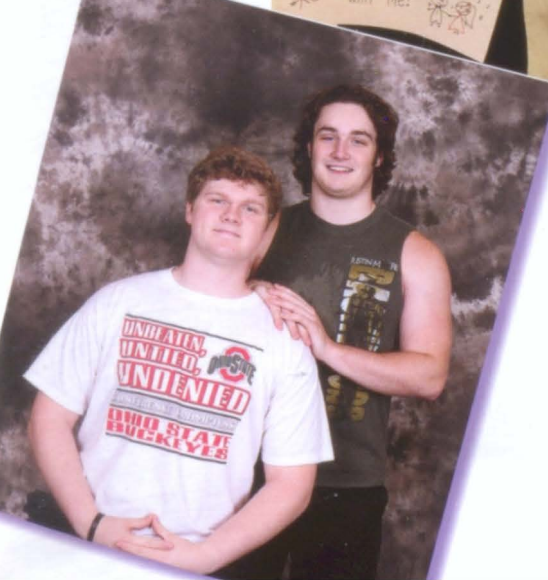

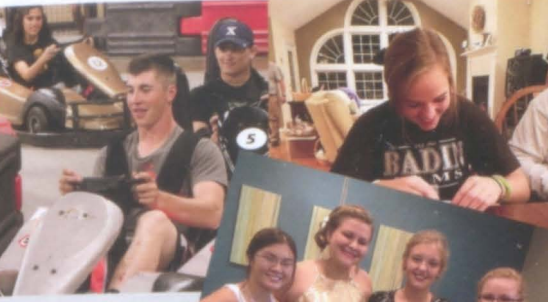

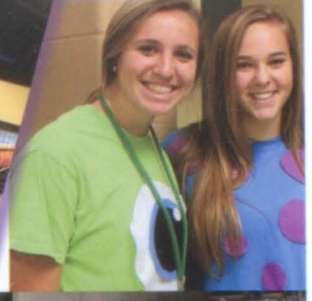

Majority of Junior students reported that they had Snapchat streaks of 200 days. No one reported having any streaks over than 300 days.

And the winner is... Drake! Migos came in close second with their album. A tie between Big Sean and Justin Bieber was recorded at 14%.

The best movie, as voted by the class of 2018, was *Suicide Squad*. In second place came *Starwars: Rogue One*.

Joey Woodruff:

The man. The myth. The door holder

Everyday, Junior, Joseph Woodruff, or Joey, holds the door for his classmates as they enter and exit Badin's campus.

Joey tells everyone to have a good day whether someone is heading inside or outside of the building.

No matter if he's having a good day or not, students and faculty can count on Joey to be there to hold the door open.

5 Questions with Joey:

1. Why do you hold the door at the beginning and end of every school day?

"I don't know, it's just something that makes everyone's day. I like to make people smile and make their day. I also give out pencils and dollars to people. I do a bunch of small things for people."

3. What is your favorite thing about Badin?

"I like that everyone is so close and it feels so much like a family. We all are like this giant family that we can all rely on. Sometimes, tension happens between students, but overall I think we are all a family. Im blessed to be a part of this family."

5. What is something unique about you that most people do not know?

"Everyone knows my favorite color is red. But do you know why? Because that is the color Jesus bled for us. He bled red for us."

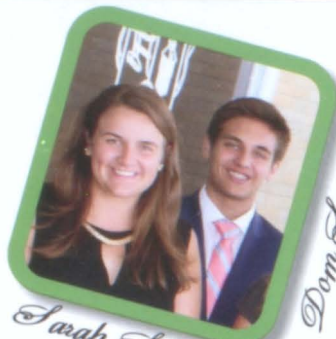

2. What do you do during your free time, or what is your favorite hobby?

"Well, I often make music and I draw and do art. I've never taken any actual art classes, I just do them on the side. Mr. McCormick says I have the experience of a college student in sound engineering. I like running sound and doing the sound for school masses and anything band related."

4. What do you most look forward to for your senior year?

"Probably the number one thing i'm excited for is that seniors are widely known around the school. I love what I do and I love helping people. Although, for two years, I was not recognized for the kindness I gave, thats not what matters to me. The smiles and the 'thank yous' mean so much to me."

The Events

Students arrive early to build their shelter for the night!

Students later gathered inside the cafeteria for soup dinner! The menu? Alphabet-soup, chicken noodle soup, crackers, and a chocolate chip cookie!

Later in the night, Officer Bucheit brought pizza and water for all the participants, as well as an officer's story.

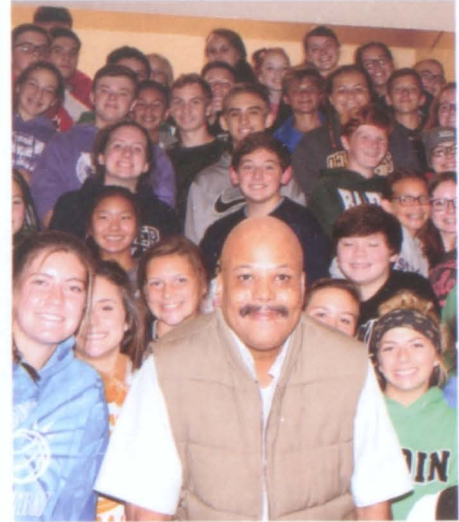

Above Students gather around a picnic table to work on crafts.

Ben Grime

"This is a good way to raise awareness and to have fun!"

Carrie Solazzo

"I think it was such a great experience."

Ben Kline

"The Shantytown experience was truly enlightening. It allowed us to learn about the struggle of homelessness through experience."

Maevae O'Connell

"Shantytown is a one-of-a-kind experience. It's as close as you can get to feel what a person is experiencing homelessness feels everyday."

"I love working on Shanty Town for multiple reasons. I get to see my seniors in positions of leadership which always impresses me, I get to know some underclassmen that I normally wouldn't, and the speakers that come from the Cincinnati Coalition for the Homeless have such troubling yet inspiring stories. The whole event is such a worthwhile cause that I feel honored to be a part of it."

Heritage Mass

Heritage Mass is done each year as a way to remember Badin's past. This year, alumni joined us in celebration.

The Heritage Mass is a great opportunity to combine Faith life with the legacy of Badin High and for students to gain some perspective of their valuable place in the Badin Family.

Terry Malone

July 18, 1933 - January 14, 2017

Remembering Terry Malone:

Terry Malone was not just a Hall of Fame football coach, but a driving force behind the success of Stephen T. Badin High School in

Hamilton. Malone guided Badin, and its predecessor school, Hamilton Catholic, to 360 wins during his 46-year coaching career that concluded with a 45-7 triumph over North College Hill on October 24, 2003.

"To say that Terry Malone had a huge impact on Badin High School is an understatement," said BHS Principal Brian Pendergest '90. "For the vast majority of Badin alumni, Terry Malone is Badin High School. Everybody thinks of Terry as a football coach," Pendergest added, "but he was first and foremost a teacher. He took a lot of pride in teaching. Terry Malone put Badin High School on the map – it's as simple as that."

"We were blessed to have him as part of the Badin family for so many years," Pendergest said. "When most people think of Badin High School, they think of Terry Malone."

- Senior, Dominic Grime

"Participating in November Kairos was one of the greatest joys of my job at Badin. The bonds I made with many of the retreatants are bonds I hope to carry for a lifetime!"

- Mrs. Kurtz

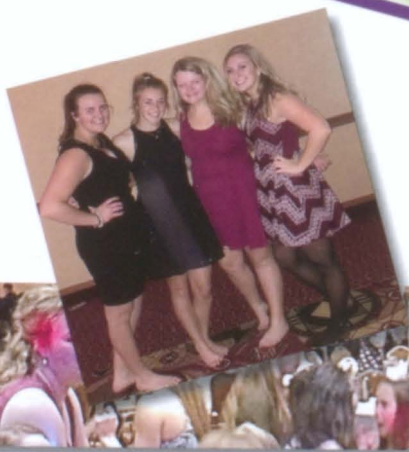

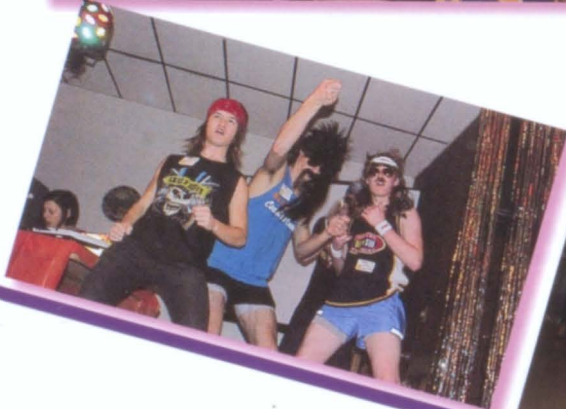

"I get as much or more out of Kairos than the students do. I get to see students in a different light. I am truly blessed."

Both shows were terrific and hilarious!

SPRIT WEEK 2017

The first day of Spirit Week this year was College Day. Students got to dress up in their favorite college attire. Seniors, Ally Stang and Olivia Keene smile for a picture in their college wear.

Day two of Spirit Week was Pajama Day. Students and Faculty participated by wearing their most comfortable clothes. Senior exchange student, DoWon Kang poses for a picture in his PJ pants.

Day three was a favorite for students: Costume Day. Throughout the halls of Badin, students wore their best costumes in order to win the costume contest. Freshmen, Rachel Siemer, Elsa Rothan and Katie Deserisy take a quick picture dressed as Hawaiian Punch, a cowgirl and a crazy cat lady!

Day four: Jersey Day. Students participated by wearing their favorite professional sports teams! Drew Holderbach and Shawn Osborne take minute during homeroom to smile for a picture.

Day five: Class Color Day. Junior, Sophie Nelson participates in the basketball relay with hopes to win Spirit Olympics!

Spirit Olympics

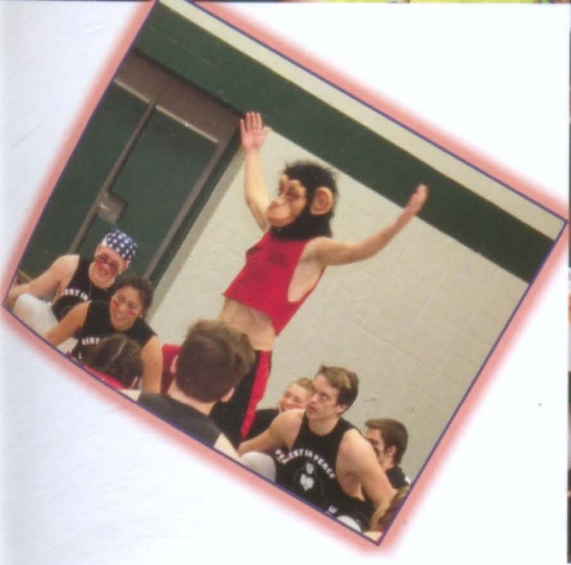

It came down to a tug of war stalemate: the senior boys tug of war came out victorious against the juniors and secured the class of 2017 a Spirit Week victory after narrowly avoiding the upset.

Other highlights included: a thrilling win for the sophomore girls tug of war and a punishing lack of jump roping skill by the freshman
