Paying for Your Education

All families who reside in the State of Ohio are encouraged to apply for

EdChoice. Regardless of income, all families that apply will receive some level of scholarship funding. Any family who currently receives EdChoice will only need to renew their application. See accompanying flyer regarding EdChoice or find more information online: BadinHS.org under Admissions.

Badin offers Tuition Assistance in addition to EdChoice. This includes financial aid and scholarships, as well as the opportunity for students to participate in the summer work program.

Incoming freshmen who score in the top of the class on the Archdiocesan High School Entrance and Placement Test are awarded renewable academic scholarships and are invited into the Scholar Leader Academy.

In addition, through the generosity of Badin alumni, friends and family, Badin is pleased to offer numerous college and high school scholarships. Scholarship applications due dates are announced to current registered students in early spring.

Over 60 years of excellence!

Badin offers a summer Work Program to assist families with tuition. Upon acceptance and completion of summer work program, each applicant will receive \$1,000 towards the student's tuition. Families interested in the summer work program or in need of additional financial assistance, please email Mr. Pendergest, President—bpendergest@BadinHS.org. An application will be available in the spring.
