FINANCE

Upon enrolling into Badin High School, you are agreeing to the financial terms, obligations and policies as summarized here.

TUITION AND MANDATORY FEES

Tuition at Badin High School for the 2026-2027 school year is \$14,150 plus the following required fees:

- Technology Fee - \$300
- Activity Fee - \$150
- Retreat Fee - \$200
- Graduation Fee (seniors only) - \$100

REGISTRATION FEE

Each academic year a registration fee (\$500 for the 2026-2027 school year) is due to reserve a student's spot. This non-refundable registration fee must be paid and the FACTS Family Portal re-enrollment must be completed in order for the student to complete a schedule request. A student is not considered re-enrolled until these steps are completed. With successful enrollment, this fee will be applied towards tuition.

TUITION PAYMENT PLAN

Tuition can be paid according to one of the following plans:

- Option 1 - (one payment) Pay in full by August 3, 2026
- Option 2 - (ten payments) Monthly payment plan starting August 2026 through May 2027

During FACTS enrollment each year, a payment plan is chosen. If no change is made in this election, the payment plan will automatically be rolled-over from the prior year. All payments are made electronically through FACTS Tuition Management.

INCIDENTAL FEES

Badin may offer after-school, extracurricular or elective activities or classes, as well as certain additional services. These are not covered by annual tuition and are provided at additional costs to the family. All charges incurred by the student will be added to their FACTS account and automatically withdrawn approximately 15 business days after the charges are posted.

FINANCIALLY RESPONSIBLE PARENT/GUARDIAN

ONE PERSON IS ELECTED AS FINANCIALLY RESPONSIBLE FOR EACH FACTS ACCOUNT. This should be the person responsible for all tuition and fees. If you have 2 different financially responsible parties in separate households, please see the “Special Billing Instructions” section below.

SPECIAL BILLING INSTRUCTIONS

If tuition and fees will be made by 2 separate households, this election must be made by each party involved during FACTS (re)/enrollment. The percentage break-down should be specified in this process as shown in the example below. The total in each category when adding both Households together should equal 100%:

PLEASE NOTE THAT IT IS NOT BADIN’S RESPONSIBILITY TO COMMUNICATE BETWEEN HOUSEHOLDS TO DETERMINE PAYMENT DECISIONS. THIS SHOULD BE DONE BY THE PARENTS/GUARDIANS OR THROUGH THE COURT SYSTEM AND UPHELD BY EACH PARTY INVOLVED.

SEPARATE HOUSEHOLD RESPONSIBILITY EXAMPLE

PAYMENT DELINQUENCIES

As in any financial situation, Badin incurs expenses that we are obligated to pay. We cannot meet these obligations unless we receive the tuition owed to the school. If tuition, fees and/or cafeteria payments become delinquent:

1. Report cards will be held and FACTS Family Portal access restricted for current students until payment accounts are current.
2. Student will not participate in graduation nor receive final report cards, transcripts or a diploma until all financial obligations are met.
3. Student will be restricted from participation in any after-school, extracurricular or elective activities or classes, and certain additional services will not be provided until incidental fees are current.
4. All past due tuition must be paid in full or an alternate financial plan established with approval from the Chief Financial Officer and President before a student will be promoted to the next grade.
5. Students whose tuition accounts are more than 50% in arrears at semester end may be asked not to return to Badin until payment of the delinquent amount is made in full.
6. Badin reserves the right to demand payment be made in the form of cash, money order or cashier's check if responsible party shows history of NSF transactions.
7. Tuition is assessed on a quarterly basis. Once a student is in attendance at least one day during a quarter, the party responsible for payment of tuition is obligated to pay for that quarter in its entirety. All fees are due in full and will not be adjusted for withdrawal.
8. If a student wishes to withdraw from Badin, official withdrawal forms must be received. Students are considered in attendance at Badin through the official withdrawal date. No transcripts will be released until all financial obligations are met.
