

Parents / Guardians of Current 11th graders,

The MCV4 Vaccine is required for your student's Senior year.

If your teenager is 16, they can receive the MCV4 (Meningococcal) vaccine that is required by the State of Ohio.

Proof of immunizations are being accepted now by e-mail to clinic@BadinHS.org or fax to the Badin School Office: 513-785-2844.

In addition to your Primary Care Physician, there are several locations to obtain vaccinations:

- Primary Health Solutions - 513-454-1111 (fees are based on income)
- School Based Health Clinic – Hamilton, Fairfield, Edgewood - 513-454-1111 (fees are based on income)
- Walgreens - Take Care Clinics
- Kroger - Little Clinics
- CVS – Minute Clinic
- Urgent Care Offices
- Some Pharmacies

Please contact the nurse if there are any questions.

Thank You,

Melanie Schmitt BSN, RN, LSN
