A. I am requesting permission for my child named above to: (Check all that apply)

_____ Receive prescribed / Over the Counter / medication / treatment by a staff member.

_____ Self-administer medication (s) in presence of an authorized staff member.

_____ Carry and self-administer Inhaler / Epinephrine / Diabetic treatment *

B. I will assume responsibility for the medication being delivered to the school office by an adult. The medication must be received in its original over-the-counter or prescription container, labeled with the student's name.

C. I will notify the school immediately if there is any change in the use of the medication or the prescribed treatment. (You must submit to the school a written statement from the physician, signed by the prescriber, if any of the information contained in the statement changes.)

D. I release and agree to hold the Board of Education, its officials, and its employees harmless from any and all liability foreseeable, unforeseeable for damages or injury resulting directly or indirectly from this authorization.

* If the licensed provider authorizes that the student possess and use an asthma inhaler and/or an epinephrine auto-injector:

- Parent/Guardian will provide a backup dose of the medication (Epinephrine) to the school principal or nurse as required by law.
- It is strongly recommended parent/guardian provide an inhaler to be stored in the clinic in the event that the student does not have their inhaler.
- The student should be responsible to report use of inhaler to the nurse and/or principal.
