

Athletic Trainer

Max Wienkamp MS, LAT, ATC
Email: philip_wienkamp@trihealth.com
Phone: 513-706-5999

Certified athletic trainers serve our Badin community by offering injury prevention, injury evaluation, therapeutic rehabilitation, and emergency medicine to our student athletes. Athletic trainers collaborate with physicians, physical therapists, and other medical professionals to provide the best care to our student athletes.

Stop in to see Max after school if you have any aches/pains, if you have had a recent injury, or if you just want a high five.

Badin High School is partnered with TriHealth Orthopedics and Sports Medicine and Beacon Orthopedics and Sports medicine to provide coverage for most home games.

Scheduling an Appointment

Being seen by our athletic trainer is completely free! Max is available to see our student athletes most days right after school. Max can evaluate and treat most minor injuries, but will refer to a physician when appropriate. When you have an injury, see Max first and to come up with a plan for treatment and return to play.

If you would like to see one of our team doctors, contact Max at philip_wienkamp@trihealth.com or at 513-706-5999 and he will help you schedule an appointment.
